

# The Crain House Lottery has begun!

by Jane Clingman-Scott

No, we're not giving away the Crain's house – just a chance to raise some money for End Polio

Now and some lucky Rotary member! We have raised \$470 for a 50/50 drawing – the winner be determined by the date the Crain House receives its Occupancy Permit. Ticket buyers have been randomly assigned time slots between Feb 8<sup>th</sup> and March 19<sup>th</sup>. If it takes longer than that, we'll put all names in a hat and draw a winner. All ticket buyers will also be invited to a special Open House when Susan and Orville are in the house, and enjoying the view from their deck (below right).
