

Rotary ReWine Meeting Minutes, August 17, 2017

Meeting brought to order at 5:15 PM

Attendees:

Braxton Gerdes	Annette Smedley
Orville Crain	Kevin Ricco
John Noling	Asaline Scott
Ken Johnson	Kaytie Ely

Business:

1.) Work Bee Rescheduled

- a. Due to rain the work bee for the bridge has been rescheduled for next Thursday, August 24th from 5-8 PM.
- b. The work will take place at Erickson's behind the Rite Aid in North Muskegon. They are on the same side of the rode.
- c. Sandblasting and priming has been finished so now all that's left is to paint and add the new planks, which will be done in two weeks.

2.) Chili cook-off subcommittee (**Esther, John, Papa, Kaytie**)

- a. Those on the committee should have received an email from Esther today (8/17) to set up our first meeting. Meeting dates in mind are 9/7 and 9/14 *after* our regularly scheduled ReWine meeting. Please respond to Esther and let her know which of these dates works best for you.

3.) Retention Committee Meeting Update (thanks, Kevin!)

- a. The committee is compiling survey results and noted that 90+ members did not complete the survey, but overall 65% of members *did* complete the survey, which is great news.
 - b. Of the respondents, about 12 mentioned they are not currently on a committee but would like to be.
 - c. Around 15 noted that they would like to be in a leadership role.
 - d. Based on survey results only about 100 club members wish to be on a committee.
 - e. Bullet "d" led to a lengthy discussion of the ReWine Club on Muskegon Rotary's expectation of club members to join a committee, the purpose of committees, and how committee successors should be put in place.
- 4.) Noon Meeting Update (courtesy of John Noling and Orville)
- a. Don and Nancy Crandall discussed their trip to Cuba.
 - b. Don gave a history lesson while Nancy showed a slideshow depicting their time spent in Cuba.
 - c. Members of the ReWine Club mentioned they would like Don and Nancy to give their presentation to our group.

Meeting adjourned at 6:00 PM.
