The ReWine group met at the Muskegon Innovation Hub to attend the 321Go event. It was a great evening filled with networking with other community members and an opportunity to recruit new ReWine Rotary members.

Jodi McClain won the grand prize of 6 months of free retail space downtown in addition to an extensive prize package of professional business services valued at greater than \$20,000. Jodi is the owner of East of Eden Wellness Spa and will be bringing the first “float” beds to the area.

Next week we will have Baker Rotaract attending our meeting to talk about their trip to Honduras.
