Lunch Members in Attendance: Orville Crain, Susan Crain, Jules Terry, John Noling, David Manley, Linda Jabas

Rotaract/Interact: Kaytie Ely

Guests: Samantha Ferguson

Introductions were made.

The 4 way test was recited.

The main topic on tonight's agenda was succession planning. Kevin's term as chair expires June 30, 2017. To help members decide if they were interested in the job he came up with a list of duties he has been performing for ReWine. We talked about the duties and also discussed having a Vice-Chair position.

Once we select a new Chair & Vice Chair we need to make sure and let President Josh know so that information can be shared with the lunch group.

Members were asked to consider both roles and we would discuss further in May.

We were notified that Mary Anne Gorman has switched from ReWine member to lunch time member.

We discussed having an agenda for each meeting that would include introductions, 4-way test, noon meeting recap and other routine functions that should be covered at each ReWine meeting. Sue C. said she would draft up an agenda for review at an upcoming meeting.

We also discussed the possibility of getting lunch time speakers to present at our ReWine meetings as we feel this would be very beneficial and interesting to our members.

An overview of the lunch meeting was given – topic: PEAK Training.

John N. shared the following:

New Early Act Club from North Muskegon will attend the next noon meeting to sign their charter.

14 students from area schools have been selected to attend the Life Leadership Conference which will be held June 14-17. On Thursday, May 11 there will be a reception for the students and their parents from 4:00-5:00pm at Muskegon Area ISD, located at 630 Harvey St, Muskegon, MI 49442. It would be great if ReWine members could attend to meet and talk with the students and parents. It was also decided that we would hold our ReWine meeting at that location. ReWine meeting will start at 5:15pm. Kaytie E. agreed to be at the Holiday Inn on May 11 at 5:15 to direct anyone showing up for the meeting to the Muskegon Area ISD.

At our May 18th meeting we will be hosting Melanie Berends. Melanie is a Rotaract student from Grand Rapids and her topic will be Human Trafficking.

Other items:

May 25 is the Community Mixer at Mona Lake Park. No official ReWine meeting that night, just meet at the park for this fun event.

Further discussion needed on an event to be held in Sept/Oct 2017 for Rotaract/Interact students and Rotary members.

Meeting adjourned at 6:15pm
