

Last night's meeting (June 15, 2017) was very small, which means it was also short!

Attendees:

Re-Wine members: Kevin Ricco, Papa N'jai

Rotaract: Braxton Gerdes

A good portion of the meeting's discussion revolved around the future leadership of the Re-Wine group. Kevin has been serving as Chair since January of 2015 and his intention is to step away from that role at the end of June. The group has been trying to find a volunteer to become chair of the evening group, but as of yet no one has stepped forward. Hopefully that is resolved at next week's meeting.

We also had a good discussion about customer service and organizational culture. It was completely random, but it was a good conversation.

The meeting adjourned at 6pm.

Please let me know if you have any questions. Have a great weekend!
