

ReWine Meeting Minutes-7/20/2017

Meeting brought to order at 5:15 PM

Attendees:

Papa N'jai	Asaline Scott
Kevin Ricco	Annette Smedley
Ken Johnson	Kaytie Ely

Business:

1.) Noon Meeting Update

- a. There was not one this week as none of the ReWine members attended the noon meeting.

2.) Fall Programs

- a. Polio Awareness and the Chili Cook-Off are two events/causes that the ReWine Club would like to start planning on or focusing on during the fall. The Rotaract and Interact clubs will likely be asked to assist with the chili cook off.

3.) Joining Rotary

- a. Annette expressed that upon joining Rotary there can be a lot of "winging it" because sponsors are often busy and can't always show newcomers the ropes. It was mentioned that there should be a central place (possibly the RIM?) that lists all committees/meeting times/who to contact if you would like to learn more about a specific committee.
- b. The website was brought up as a source for potential new members to use, but it was discussed that much of the content is currently out of date, and it could use some updating.

4.) August 17th, 2017 Work Bee

- a. Thursday from 5-7 PM members that are interested in doing so may attend the work bee for the bridges in lieu of our regularly scheduled ReWine meeting.

5.) Speakers/Guests

- a. Previously members had mentioned inviting the noon meeting's speakers to our ReWine club to present. While we can certainly still do this, it was suggested that we also find our own speakers that appeal to the areas of youth service and vocation, or our other interests as the ReWine club. By doing this, members from the noon club may be enticed to come check us out!

6.) Recruitment

- a. A possible incentive (we would pay for one drink for potential members at a ReWine meeting, etc.) was brought up as a possible way to bring new members to see what Rotary is about.

Meeting adjourned at 6:15 PM
