New Member Spotlight

Joe Finkler is president of the Muskegon Inventors / Michigan Inventors coalition. It's an organization fellow Rotarian **Orville Crain** started.

Muskegon Inventors Network, (MIN) is a regional non-profit support group where inventors, marketers, and creative people can find a platform to get connected and network, Joe says. It is a place to learn from the successful and sometimes the not so successful. Through networking, people will find that they are not alone, that many people understand their situation and are going through the same obstructions. MIN is a resource center with ideas, books, website suggestions, and other information to assist people with their creative endeavors. The group boasts many members who are inventors, marketers, business owners and consultants, as well as others with individual skills to help take an idea to market.

Take a look around their website, link below, and be sure to check out sponsors. Without them, MIN wouldn't be able to help inventors, wherever they might come from.

Farmers Market Kitchen 242

by Jenna Blamer

Cathy Brubaker-Clarke introduced speaker Rich Thorstenson, Director of Operations for Pioneer Resources. With a culinary and operations management background

Thorstenson has been contracted by the City of Muskegon to manage the day-to-day operations of the Muskegon Farmers Market's new kitchen.

Kitchen 242, a certified commercial kitchen in downtown Muskegon is

located at the Muskegon Farmers Market on Western Avenue next to the Post Office. The kitchen provides a rentable facility for food business entrepreneurs to prepare their products in an approved kitchen. Community kitchen space is also available where cooking classes and culinary events can be held to enhance community awareness of good nutrition.

Kitchen 242 is a fully equipped and licensed 1520 sq. ft. commercial kitchen. It boasts well-maintained professional quality appliances for cooking and refrigeration, ample table space and a selection of pots and pans and sheet trays that may be used onsite. Thorstenson recognized Mercy Health Partners for donating equipment to the kitchen and highlighted that the equipment is fluid which allows for the

workspace to be tailored to individual needs. Kitchen 242 can be rented to comfortably host a class of twenty for \$500 and is currently recruiting business sponsors to offer classes to the public at no cost.

Thorstenson invited attendees to Kitchen 242's grand opening tentatively scheduled for Friday, July 3rd also mentioning Kitchen 242 team members would be happy to give private showings prior to the event.

Downtown Muskegon Now director Jonathan Seyfreth closed by talking about the significant impact the Farmers Market has had on Downtown Muskegon. The market brings an estimated 10,000 people to downtown each Saturday. Shops and restaurants have received a noticeable increase in business as a result.

"Pilot Error" Returns

Hey, I know that guy.

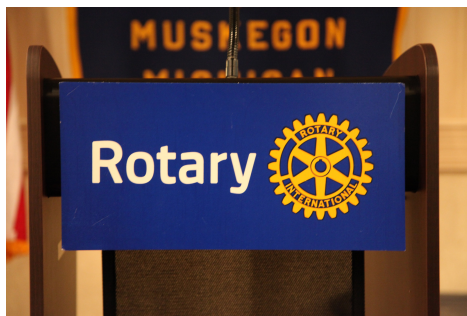

Muskegon based movie producer (and friend) Roger Rapoport's latest film, "Pilot Error" will return to the Harbor Cinema on Saturday May 2 at 4 p.m. and 7 p.m. for two very special screenings. The Hollywood costar Richard Riehle, who plays the role of the newspaper editor, will be there to lead the talk after the screenings. Richard is best known for his role in Office Space and has also appeared in 200 other films including Bridesmaids, Free Willy, The Fugitive and Ferris Bueller's Day Off as well as the tv series Grounded For Life. He is widely recognized and a fascinating actor. I've seen two of Roger's films and they were both excellent. I recommend you see this film and put it on your calendar now.

Lt. Governor Visits Muskegon

Busy day on Monday. Later in the day I attended a talk hosted by the Muskegon Rotary Club with Lt. Governor Brian Calley at Baker College where he shared insights on the May ballot proposal for fixing our roads and aiding our schools with a statewide sales tax increase. He did a great job and while the proposal has several parts, they will all be a huge help. Our roads and bridges need attention.....now!

Rotary Hits The Road

For Your Calendar The Club is announcing meeting location changes during the merry month of May. On May 7, we'll convene at the Lake House, our summer-fall hangout. Then, over to Fricano's on May 14 for some great pizza. It's back to the Holiday Inn on May 21 and May 28, after which we'll move to the Lake House from June thru November. 5/07 Lake House 5/14 Fricano's 5/21 Holiday Inn 5/28 Holiday Inn 6/04 Lake House
