THE FOUR WAY TEST THAT ROTARIANS USE IN MAKING ETHICAL DECISIONS:

Is it the **truth**? Is it **fair** to all concerned? Will it build **goodwill** and better **friendships**? Will it be **beneficial** to all concerned?

Reservations Still Available for Roger A Andersen Event

Jim Fisher made a huge announcement Thursday about the **Roger A Andersen** Lifetime Community Leadership Award gala – the sign-up deadline for reservations has been extended to August 30. This is an absolute not-miss event. Currently, the committee has received 100 RSVPs, but less than half of those are Rotarians. We can do better,

people! The event will take place at the Muskegon Country Club on Saturday, September 8, 2018, and funds raised will equally support RI's Polio Eradication Campaign and the Muskegon Rotary Fund at the Community Foundation for Muskegon County for local projects and programs. Reach out today to **Jim Fisher**, jfisher@secondact.com or 231-750-4123.

Reservations may be made at Thursday's Rotary meeting by cash, check or credit card or you may send \$40 per reservation to the following address:
MUSKEGON ROTARY FOUNDATION
PO BOX 0066 MUSKEGON MI 49440

Also, say you'd like to pay for your \$40-per-reservation via phone this week. Turns out JD Wallace has a contraption with him that allows such a possibility. His whereabouts: jdwallace88@comcast.net or 231-578-1079.

Last Week's Program

The Main Event

DENTAL VOLUNTEERS

Introduction by Rob Taylor

Speakers: Suzanne Tanis and Jackie Lindrup from Volunteers for Dental
By RIM Reporter Lori Weiler

Jackie, right, gave a brief history of Volunteers for Dental. After seeing a program called Dentists' Partnership program in Calhoun

County/Greater Battle Creek Area, they knew there was great need in Muskegon. They started a pilot in Muskegon called Muskegon Volunteers for Dental Care. They garnered support from the Community Foundation and received a \$3,000 grant which enabled them to hire a grant writer. That led to additional grants from Alcoa, Delta Dental, Blue Cross Blue Shield, and

others. Suzanne, left, and Jackie outlined how the program offers basic dental care for adults in exchange for volunteer service. Eligible

participants are Muskegon or Oceana County residents, they are uninsured or underinsured, they meet income limits (see your brochure or their website for current information:

www.volunteerdental.org).

Eligible participants must attend a health education class and complete at least four volunteer hours. Each >>>

>>> hour of volunteer time earns \$25 in dental care for them.

There is a long list of local dentists participating in the program (be sure and thank your dentist if he/she is one of the volunteers). The Volunteer for Dental office space (where you'll find Susanne) is donated by Access Health.

This RIM Reporter will attempt to list a few of the many benefits to the community that come from this program:

- Since 2014, 1,288 people have been helped by Volunteer for Dental
- Dental care is not provided in a hospital emergency room and it is not covered by Medicaid
- In 2016, the total visits reported from the Muskegon County emergency department for tooth issues decreased from 2455 to 2103 including the uninsured and Medicaid cases. The dental cost to Mercy Health also decreased from \$467,400 to \$374,725
- 414 people have received dental care
- 475 have attended oral health classes
- 15,287 volunteer hours logged

- \$399,104 dental costs have been donated
- Additional value for the participants includes boosting self-esteem for the responsibility associated with volunteering and helping in their community
- The dentists like the program because participants are screened appointments; they are grateful and polite. Engaging them as a volunteer gets them invested in the program. In fact, only 2% of the Volunteer for Dental participants miss their appointments, compared to the national average of 15%.

Rotarians, what an awesome organization—if you didn't grab a brochure to give to share with someone who could benefit from this program, be sure and jump on their website for more information www.volunteerdental.org or 766-7129.

served and done so much for our country - our Veterans. Calling Day of Caring OPERATION UNITED, volunteers will be assisting local veteran families with minor home repair, home improvement, and landscaping. To make this possible we need your help! We have 19 veterans whose home will be worked on, as well as working with our school supply drive, writing letters to deployed troops, working at Ryerson Creek, and cleaning off plaques at the Veterans Memorial Park.

Our Rotary team so far: **Nancy Crandall; Amy West; Darlene Collet; Doug Wood** and granddaughter; **Trent Hancock; Bill Loxterman; Josh Wallace; Rich Berry; Annette Jack; Marcia Hovey-Wright;** John's mentee Brandon Minzey; one Rotaractor and one Interactor at least. More volunteers are welcome. See John.

8am - registration, breakfast at United Way
8:30 - ceremony at UW

Judy Hayner followed up on her August 9th presentation - there since was

controversy regarding the plan for sculpture placement in the Old Indian Cemetery. Plan B was eliminated due to major sewer, storm drain and water line issues. She's working on a Plan C (parts a & b). Updates to come. This is going to happen.

As was mentioned before and will be mentioned again, a new option is to charge your **Roger A Andersen** event reservation by telephone. **Contact JD Wallace, Sr. at (231)578-1079 to make your reservation.**

That's it for now, friend reader. Hopefully, we've not left anything important out but, if so like always, submit a revision in writing to a RIM staffer (list on page 2) and corrections will be made. Meanwhile, get ready for a fine Labor Day weekend.
