Meeting new RI President

The Central States Rotary Youth Exchange Conference was held July 12-15 at Calvin College in Grand Rapids. Students were fortunate to have our new RI President, Barry Rassin, right, from the

Bahamas, as a guest-speaker and inspiration.

Rassin's presidential nomination followed **Sam F. Owori's death** in July, just two weeks into his term as Rotary

International president-elect. Both **Ammy Seymour** and **Chanda Cregg** were able to personally meet him and his wife Esther.

On Stage This Week

The Old Indian Cemetery was already established when the first white man came to this area. It is believed to have been used by the Ottawas as early as 1750 and is known to have been a burial ground from 1806 to 1854 for both Indians and

settlers. The Daily-Badeau trading post existed from 1830 to 1848 on the shore of Muskegon Lake below the cemetery. Louis B. Badeau purchased lot 2, containing the cemetery, and much of downtown Muskegon, in 1839. This was the starting point for all early surveys in the area.

Near here, Martin Ryerson set up his first sawmill. He obtained title to the cemetery, and in 1926 his son, Martin A. Ryerson, deeded it to Muskegon with the stipulation that it be maintained in perpetuity.

A major report is scheduled for our August 9th meeting: the El Salvador work mission.

Let us pictorially refresh your memory here and remind you what a special privilege this trip is – perhaps some of our readers will go next year.

Meta Peace Team

For Nonviolence and Respect Around the World

By RIM Reporter Lisa Hegenbart

Speaker: Rev C Peter Dougherty

cpeterdougherty.mpt@gmail.com

<http://www.MetaPeaceTeam.org>

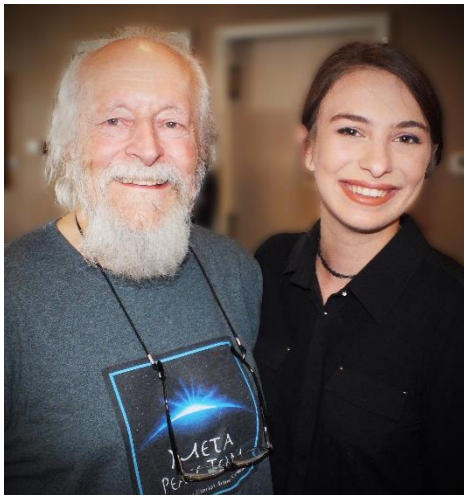

with **Intern** Lulu Nestor, right

Creating a nonviolent alternative to militarism through empowered peacemaking is the focus of individuals who are a part of the Meta Peace Team. For 25 years,

co-founder Peter Dougherty, above, has led teams both domestically and internationally to focus on creating kinder, more compassionate communities. Dougherty shared, “When we learn and understand ourselves, we can walk in the shoes of others.”

Meta Peace Team seeks a just world grounded in nonviolence and respect for the sacred interconnectedness of all life. They train individuals in nonviolence and

places violence reduction peace teams (when invited) in war zones and places of conflict where there is a likelihood of violence. The teams do only go to events where they are invited. They are not there to impose their solutions or any specific solution but to help create a safe space for those involved in conflict, so that they can come to their own solutions.

The focus of the mission of Meta Peace Team is:

- Teaching people the skills of nonviolence with Bystander Intervention Training and/or Violence De-escalation Skills training.
- Placing trained peace teams in areas of conflict both domestically and internationally.
- Advocating for the power and efficacy of nonviolence through speaking engagements, education, articles, blogging and offering human rights monitoring.
- Networking and partnering with other peace and justice groups.

“We are all here to protect human rights and human life,” Dougherty concluded, “creating space for productive conflict and its resolution.”

Susan Crain, below, reminded all that Rotary is

focused on peace domestically and internationally also. Rotary is a part of the United Nations, held a Peace Conference two years ago, and sponsors Peace scholars.

NEWS / ANNOUNCEMENTS – COMMITTEE MEMBERS, GUESTS

Marty Gerencer shared with the Club that *Grape Escape* tickets are ready to go! There is a Facebook page accepting memories and photos from previous years for members to share. Please go “LIKE” the page and share.

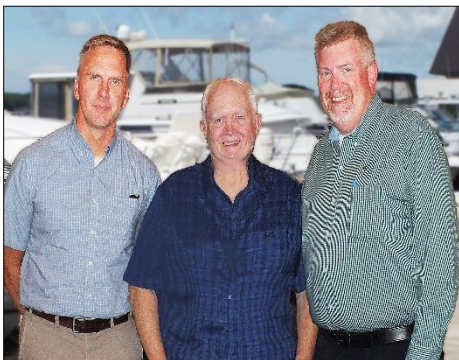

Diane Van Epps presented that posters are complete and on the back table for our 15th Anniversary *Grape Escape*. She asked members to please take to hang them at place of business or around town to spread the word.

Bob Chapla gave a reminder to put September 8 on our calendars for the party in recognition of **Roger Andersen**, our 53-year Rotary veteran. Invitations will be going out in the next few days.

Bruce Spoelman spoke on behalf of 1 in 21. In partnership with Mercy Health and funding from the CDC, assessments can be completed for those who may be at risk for diabetes. Please contact the YMCA.

The next New Member Orientation will be held on Wednesday, August 1, from 8-9:30am at the Shoreline Inn. If you have any questions, please contact **Howard Hardesty**

Consumers Spokesman Reunion

At one time or another over the past three decades, the three gents above have been both Muskegon Rotarians and Consumers Energy area managers, helping our community when the lights went out or when other kinds of service were needed. From left, say hello to **Rich Houtteman**, **Bill Johanson** and **Roger Morgenstern**.

Orville Crain still has Rotary magnetic pins available. The pins are \$3 for those who wear them all of the time and \$10 for those who put them in a drawer. Speaking of a Crain... we had a new facilitator last week with a lovely smile and part of a comedy act

called Orville and Sue. Yep, it was **Susan Crain**, left, one of 13 assistant District 6290 governors this year always on the run to her Lake Michigan River (or something like that) territory.

Dear United Way Supporters:

Thank you so much for all you do to help United Way build a better community. I am writing to ask for your help.

We are quickly moving forward with plans for our 25th Day of Caring – Operation United. We will be targeting our military families and veterans again this year in recognition of our 100th year and our original role as the War Chest of 1918. We have had an overwhelming response from our community and believe we will have 15-25 homes to serve. **We need your help to identify team leaders for Friday, September 7th, 8am-1pm. This could be leaders on your staff team, up and coming young leaders, yourself, friends, family members.**

Let me share my favorite quote from a team leader last year, Keith from Consumers Energy said, “I had never attended a Day of Caring before, and I will never miss one again!” We want to share this amazing and impactful half day of service to serve our neighbors and to inspire others to get involved in changing lives for the better.
