### Reducing the Use and Abuse of Substances in Muskegon County

Drug Free Muskegon County works to reduce substance abuse by acting as an organizing body for over 50 community organizations such as schools, health care providers, law enforcement, government organizations, and civic leaders, as well as business and youth. By joining forces, everyone striving against drug use can be more effective, achieving things that no single team could. Their dynamic data-driven approach to identifying issues and developing initiatives to prevent drug abuse here is nationally recognized.

Rotary After-Hours events are a great way to network while having fun.

## Those Blue Guest Cards

**Ed. Note:** When Rotarians bring a guest to Club, we ask them to *carefully* fill out one of those pesky little blue guest cards (or PLBGC – pronounced just like it's spelled) at the sign-in table ensuring a proper guest introduction during the meeting and a correctly-billed meal.

"Carefully" is the key word above – it's a synonym for "print neatly" – because

what appears (or seems to appear) on the card is later transferred to RIM acknowledging each guest's attendance. So...if you would, please, always complete a PLBGC for each of your guests crisply/cleanly/clearly and, without doubt, you'll be delighted with its display in our award-winning newsletter that boasts an extremely long shelf life and an uncanny ability to influence the masses. Thank you.

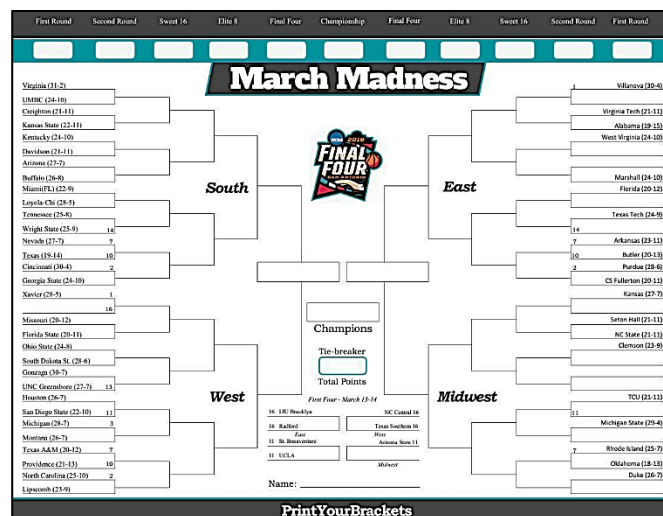

\*hen-scratching examples above are genuine

## Last Week's Program

# Baker Rotaract Trivia Game

By RIM Reporter Ammy Seymour

This wasn't your typical Rotary meeting... it was Rotaract Trivia!!!! Pink and black balloons with Rotary "celebrity" faces adorned tables at the Lake House, setting the stage for a unique experience.

Linda Meyers, Faculty Advisor for the Baker Rotaract Club, introduced Megan Dicksen, Ashley Devereaux, Katie

Potter, Amanda Rupert, Helen Lim, Kendra Tevnis, Stephanie Stewart, Tess Gerczak, and Gabi Ryan – a plethora of knowledgeable college students who challenged our most experienced Rotary members!

Why? To raise funds and awareness for Muskegon Rotary and the Muskegon Rescue Mission. Who? Three teams of Rotarian experts. How? Collecting money prior to the challenge and soliciting additional funds the day of, to secure their philanthropic spot. If that

weren't enough, there was an actual Trivia game testing Rotary knowledge

that played out before over 100 of their closest Rotary Friends!

1 The game began with a set of rules: everyone must have their

hands under the table; first one to buzz in gets the chance to answer; if you are the one to buzz, you have to be the one to answer the question; if you are correct, you earn one point, if you are incorrect, you lose a point and the opportunity will go to the next quickest buzzer. Finally, you will get one AUDIENCE member friend – if nobody knows the answer to the question, the first one to buzz in can ask an audience member.

That audience member can only be called on once. Once used, that person is no longer eligible to help any other team... Whew! ... did you get all that!?

The Rotarian Experts were...

Team 1: **Orville Crain, Cathy Brubaker-Clarke, and Jim Fisher.**  
Team 2: **Nancy Crandall, Ginny Sprague, and Linda Juarez.**  
Team 3: **John Noling, Darlene Collet and Kaytie Ely.**

Team members checked their

buzzers and placed their hands under the table. Questions revolved around Rotary specific topics, such as, spelling your District Governor's last name (Swart), our District number (6290), and our DG Ed's wife's name (Carol). The audience was also asked questions to keep the entire Club involved

and engaged. The lunch hour had never been so challenging and fun! It was similar to watching a roller coaster ride – with twists, turns, ups, and downs. There was laughing, arms thrashing, and, dare I say, a few tears may have been shed!

There was no foul play (that we saw). However, fragile egos were challenged, wrong answers were in

abundance, and money was raised for two important organizations. Finally, the Trivia game had to end (one way or another).

Baker Rotaract students surprised all participants with a certificate and donated money to Rotary International

in their endeavors to help end polio! Overall, Team Orville won with a -1, and tying for second place were Team

Crandall and Team Noling with -2. (If they were only playing golf ☺ ) There were no losers, just winners! Final results of the philanthropic challenge will be announced at a later date! Thank you to everyone who donated and to those who witnessed the “trivial event!”
