Meeting tonight spent working on Get Your Chili On event. Updates as follows:

- Add raffle to event. Joe will provide tickets and Jan will provide fanny packs for \$
- At the 1/19 meeting we will be numbering cups so please bring a black sharpie with you if you have one. Esther will bring a few extras.
- Talked about power strips, how many will we need? Need further discussion once we know how many pots of chili we have.
- Students from Rotaract and Interact will bring posters of their accomplishments.
- John will pick up ribbons for the winners.
- Signage, talked about the need for signage directing folks around the Hub for food, etc. We will work on this when we meet at the Hub to discuss set up.
- The Feb. 2 meeting will be at the Hub to discuss set up. We will need to have someone at the Holiday Inn at 5:15 to catch anyone that may be joining the meeting and to direct them to the Hub. We also need someone to call the Holiday Inn to cancel our night there.
- The voting slips that were made are OK to go. Esther will have them printed.
- The program for the evening was discussed. It was agreed that BRIEF remarks would be made at 6:00pm and that voting needed to be done by 6:30pm so we would have time to announce the winners. Chili competitors should be at the Hub by 4:30pm to get set up and ready to go.

Kevin did a presentation about the Muskegon Innovation Hub at the Rotary lunch meeting so he gave a brief overview of his presentation.

Meeting adjourned at 6:30pm
