

Muskegon Rotary ReWine Notes

December 8, 2016

Attendance: **Orville Crain, Kevin Ricco, Esther Ricco, Susan Crain, Asaline Scott** and **John Noling**

Meeting started at approximately 5:15pm

One update from last week's meeting, **Howard Hardesty** and **Corey Watson** have agreed to join the Recruitment Committee.

New business:

We started the meeting with the 4-way test.

John Noling described an upcoming trip that several Rotaract and Interact members will be taking to Honduras and El Salvador in February/March 2017. The members are looking for help with a fundraiser to secure the necessary funds to purchase house building materials and water filters for installation on their trips.

The idea of a spaghetti dinner fundraiser was tossed around but then after several minutes of brainstorming the group decided on a chili cook-off fundraiser.

Tentative plans are: Thursday, February 9, 5:00-7:00pm

At the Muskegon Innovation Hub at GVSU

Ticket prices would be \$10 each or \$25 for a family

Will have a vote for your favorite chili competition. Other menu items will be corn bread, salad, desserts and beverages.

Goal will be to raise \$2,000 or more to support the students in their efforts.

John will work on getting tickets printed so they are available the first of the year for the students to start selling. Kevin will confirm that the HUB is available for the event.

The December 15th ReWine meeting will be at the Crain's. Kevin and Esther will be at the Holiday Inn at 5:15pm in case anyone shows up there and then will direct them to the Crain's house.

The December 22 and December 29 ReWine meetings will be cancelled. Planning for the Feb. 9th event will continue at the January 5th meeting. John will ask for a representative from each Rotaract/Interact group to attend this meeting so details can be discussed.

Meeting adjourned at 6:20pm
