Muskegon Rotary ReWine Notes

August 11, 2016

Attendance: Joe Finkler, Orville Crain, Kevin Ricco, Esther Ricco, Jan Mink, Braxton Gerdes, Juwana Jackson, Sue Crain

Meeting started at approximately 5:15 pm

The following items were discussed regarding the Nov. 3rd event:

• Pizza will be ordered from Teddy Spaghetti. 20 inch pizzas, will order 10 of them. It was suggested to get at least three different kinds, one kind being vegetarian and have a gluten free pizza. It was also suggested that we get hot pepper/parmesan cheese for the pizzas from Teddy's. We need to find a sponsor to pay for the pizza.

- We will need two coolers for the event for soda and water.
- Jan has agreed to provide the bottled water.
- Kevin & Esther will provide the soda.
- Jan will provide the paper plates and napkins
- Sue will check the sound system and projection capabilities at the Holiday Inn.

• We will need donation jars. Pictures of hand peddled wheel chairs will be affixed to the jars. We should "prime" the tip jars to get everyone thinking of donating.

• Sue said she would try to locate a hand peddled bike to display at the event.

Red Star program discussion. Esther was asked to work with the ReWine group to come up with some ideas on how a ReWine member would be able to satisfy the requirements for red star removal. Several ideas were discussed and Esther will get those to Kathy Moore for consideration.

Esther asked if the Muskegon Rotary was involved with the Youth Exchange program. Sue said that we are not involved this year but will host a student in 17-18.

We had some discussion about "Every Rotarian Every Year". Some of us were not familiar with what that meant so Sue explained it to everyone.

The 4 way test was done by all members at this meeting. Orville and Sue Crain gave an update on the lunch meeting, specifically about the Sappi project.

Meeting adjourned at 6:15 pm
