At the bounce the pack all chased the number of balls in the jar but it was Mitchell that took the early lead and scored the opening goal with an exactly correct answer of 159. It was a close run thing however as Terry was only marginally behind.

The multi-code word find closed out the first quarter, lots of heads were down chasing the lead but there was no clear winner.

The second quarter was a goal scoring feast with 10 goals scored, would have been 11 but one hit the post! Catherine and Colin H as the most accurate contenders but they alone continued into a sudden death shoot-out with Colin's accuracy winning by millimetres.

The second half opened slowly with many concerned looks but all players had scoring shots. Terry was in fine form with a perfect 9 out of 9 but even then he was only marginally clear of Gavan and Bruce on 8, Catherine on 7 and Geoff, Anne and Lyle on 6. At three quarter time it was still anyone's game.

The last quarter ran longer than expected with the leading scorers being Gavan and Helen A on 6 apiece but Christine, Lyle, Terry and Bruce scored 5 each, Geoff and Catherine 4½. Time on was added after the bell and at the final siren it was a draw between high scorers Gavan and Terry.

Premiers - Gavan and Terry	14
Bruce	13
Catherine	11½
Lyle	11
Geoff	10½
Helen A and Christine	10
Anne	8
Colin H	7
Alex	6
Mitchell	5½

**Christine Waite – 50+ years in the AFL**

Our special guest for the footy theme night was Christine Waite who recounted many anecdotes and insights on how football has changed over her 50 year engagement with the AFL.

Christine’s husband Vin played over 150 games with Carlton and played in 5 Grand Finals for 3 premierships. Her Son Jarrad has played over 200 games with Carlton and North Melbourne.

Some of Christine’s insights were:

Topic	then	Now
Professionalism	Training twice a week and most held full time jobs – Vin was a plumber	Full time – training, corporate functions, recovery, injury rehab, media
Media	TV replays of some games, limited radio coverage	Extensive tv coverage, social media, highly intrusive into personal lives
Brownlow Night	Listened at home on the radio	Media coverage Player interviews and behaviour scrutiny Fashion show for the WAGs

		– young girls now exposed to great pressure on their appearance
The Game	When watching Vin – Christine would often just chat with her friends and not watch too closely	When watching Jarrad – focussed on intently on where he was, how he played, is he injured etc
Player movements	Very rare – most played entire career at one club	Very mobile, part of the professionalism of the game, advent of interstate clubs

Thanks to Wally and Caroline for organising a great night for the Club
