Our organisation has enjoyed a strong, fruitful collaboration with Rotary Australia in the past, and on this account I sincerely look forward to receiving your thoughts and reply. Thank you for your time.

### **Cambodian Water Project**

Join Rotarians in a travel adventure to Cambodia in the first two weeks of February 2018, to experience first hand the culture and friendship of Cambodians and see the results of our D9780 Project in Cambodia.

The trip will be led by Dr. Bryan Humphrey (President Geelong East Rotary Club) with support from a Cambodian interpreter and guide. Rotarian, Bryan has spent almost three years living and working in Cambodia.

Rotary District 9780 and 22 supporting clubs were successful in gaining a Global Grant to provide clean water in Cambodia.

The project worth \$US56, 234 will provide clean water to around 4000 people. This is life changing. It is expected that by the time we travel the project will be completed.

Many members in supporting clubs expressed an interest in travelling to Cambodia to visit the project areas and see personally the impact of their support.

The proposed trip would begin in Phnom Penh. It will include visits to the Toul Sleng Genocide Museum, the Killing Fields as well as The Palace, National Museum. The visit will include a live show featuring Cambodian dance and music.

The group will also visit some Rotary supported projects in and around Phnom Penh.

We will then travel to Veal Veng district in Pursat Province to visit the communities that have received fresh water because of Rotarians in District 9780. We will visit villages, schools and have an opportunity to meet with the communities we have supported. This will be an uplifting experience to share the joy and the life changing stories. We will also have an opportunity to visit classrooms and interact with students in the schools that our Rotary clubs have supported.

We will then travel to Battambang where we will have the opportunity to take in the sites of ancient Angkor Ruins and experience a relaxing time in Cambodia's second largest city.

The last stop will be Siem Reap, the gate way to the majestic Angkor Wat and the many other temples. A town alive with restaurants and shows. We will include a trip to the holy mountain Phnom Kulen and the surrounding area. We will see a huge reclining Buddha, river bed carvings and early 9th century temples. We will have a picnic lunch at the waterfall.

The cost of the trip is estimated at around \$AUS4400 per person.

Proposed Inclusions (these may change as planning continues but are indicative):

- Flights
- Travel Insurance
- All meals
- All sightseeing, entrance fees, tour and transfer services
- English speaking local guide
- All accommodation based on 2 sharing room
- Private air-conditioned vehicles, bicycle hire, private tuk tuk
- Drinking water and face towels while sightseeing

Accommodation in Phnom Penh, Siem Reap and Battambang will be 3-4 star, all with Wi-Fi and air conditioning. Accommodation in Veal Veng is a local guest house which provides comfortable, clean but basic accommodation.

It is proposed to use "World of Difference" run by Rotary District 9800 as the tour organiser. "World of Difference" have run many Rotary trips to Cambodia and have a wealth of experience.

If you are interested in joining this Rotary Cambodian Adventure please express interest by contacting Rotarian Dr. Bryan Humphrey by email on [bryan.humphrey53@gmail.com](mailto:bryan.humphrey53@gmail.com) by September 30th 2017.

We will proceed with detailed organisation of the tour if there is sufficient expression of interest from interested Rotarians in D9780.
