REPORT OF MEETING NO. 3877

Chairman, Murray Menzel, opened the meeting and after the Grace and Loyal toast, proposed an International toast to the R.C of Manchester, UK, considering the tragedy there.

REPORTS.

- Peter Walscott's birthday on 12th June.
- Lorraine, Noel and Rose went to the Art Show opening at Casterton, on June 8th, and Noel and Rose attended the Casterton RC meeting on June 15th.

- Special acknowledgement to Rotarian Ian Black, who was awarded an OAM for his contribution to Community service, including 55 years at the Hamilton History Centre, and 32 years as a valued member of our club.
- Casterton R.C. is having their 70th birthday and Changeover on July 15th, commencing at 3 pm. Pres. Noel encourages members to attend, as our club sponsored them at the beginning of their club, 70 years ago.
- Certificate of Appreciation received for Shelterbox No. 15328, our latest purchase. Rotarians can use this code number to track the progress of this equipment.
- Home Hosting for Sheepvention. If you are able to provide accommodation, please contact Noel.
- Nick Northeast, a competitor in the 2017 Hamilton Eisteddfod, won the Rotary Award in the vocal section. He was very appreciative of the Rotary financial contribution to his career.

REPORTS.

1. Treasurer Glenn Howell will forward the financials to all members, and it will include all remaining donations to community organizations for this financial year. Two Debit cards have been arranged for the events/fundraising committee.
2. Foundation. Rose read an article from RDU about Foundation celebrating 100 years and the impact it has had on the world during that time. Considering the wide range of projects being undertaken throughout the world, Rotary Foundation has a proud record of improving our world in the fields of drinking water, human health and disaster recovery. Many lives have been touched by the influence of Rotary Foundation over 100 years.
3. Events/Fundraising. Applications have been made to have our trailer at the Sheepvention and Dunkeld 3 Peaks Festival.
4. HDSC Terms 1 and 2 have operated perfectly, with our club providing transport for Casterton Students. Term 3 Roster is being prepared and hopefully, a draft will be available for members at our next meeting.

FINES SESSION.

Richard Beks provided each member the opportunity to share their transition from leaving school to achieving their chosen career. It was interesting to hear the variations between the chosen careers and the actual careers. Some members stayed in their career of choice, and others did something totally different. Once again, the fines box was full!

As our scheduled guest speaker was unable to attend, due to family reasons, Lorraine provided us with a video showing us Rotary's involvement in a major landslide, where temporary accommodation was required for the many communities. The practicalities of Shelter boxes in these situations, is a great reminder that our purchase of a Shelterbox does provide a solution for families impacted by natural disasters.

Lorraine urged Rotarians to use the Rotary websites to gain up-to-date information on the work being carried out by Rotary throughout the world.
