REPORT OF MEETING NO. 3902. 15-1-2018

Our first meeting for the year was a social evening in the garden of Noel and Rose Howard. It was a pleasant get-together with lots of good food, drink and fellowship.

At our next meeting, we will be discussing the further meetings with Hamilton North.

We welcome Peter Wilson back to Hamilton, after being in Melbourne for a serious heart operation. We wish him all the best on the road to his recovery and rehabilitation.

I would like to wish everyone a Happy New Year, and hope that 2018 will bring you lots of luck and happiness.
