Online meetings

It was great to see a couple of our members who have not been zooming join us online along with some Rotarians from other clubs. With limitations on numbers allowed at venues this is going to continue to be a way of keeping connected, so I urge members to **UPSKILL** themselves to take advantage of what President Brian and Program organiser John Main have endeavoured to secure. Simon can step you through the process.

Weekly Bulletin, Webpage and Facebook

The weekly bulletin will eventually be published through ClubRunner.

Our club webpage can be accessed on <http://portal.clubrunner.ca/1943> It is now live.

This will allow stories from our bulletins to be published on the webpage and information from the District and RI webpages (which also use ClubRunner) to be shared.

Our club also has a Facebook page which shares stories and events, and this page is also shared to other Facebook pages to get our message out. <https://www.facebook.com/rotaryhamiltonvicau>

Rotary vs. Polio: A Timeline

Rotary is an international community that brings together leaders who step up to take on the world's toughest challenges, locally and globally. The eradication of polio is one of our longest standing and most significant efforts. Along with our partners, we have helped immunize more than 2.5 billion children against polio in 122 countries. We have reduced polio cases by 99.9 percent worldwide and we won't stop until we end the disease for good.

2000 A record 550 million children – almost 10% of the world's population – receive the oral polio vaccine. The Western Pacific region, spanning from Australia to China, is declared polio-free

2003 The Rotary Foundation raises \$119 million in a 12-month campaign. Rotary's total contribution to polio eradication exceeds \$500 million. Six countries remain polio-endemic – Afghanistan, Egypt, India, Niger, Nigeria, Pakistan
