President Noel welcomed 30 members, 9 partners and five guests to celebrate a milestone with **50 years** since Hamilton North was chartered. With the merger of the two clubs in Hamilton, this is just part of their story as Hamilton was originally chartered in 1937. Another great achievement in recognising many years of Rotary Service in their community. District Governor Lesley Sheddon presented the club with a letter from RI President Stephanie Urchick and framed certificate from Rotary International. Foundation member Barry Aarons cut the cake made by member Moffatt. Ian Black gave a brief outline of the history of the club and distributed a book with the information. (Ian has some copies)

John Barke, Gerri Griffin and Barry Aarons and Rotary Exchange Student Pam McLeod (1972) offered some recollections of the club and its beginnings and some of the wonderful projects and events over the years.

Past member James Nagorka sent a letter of congratulations. Past Member Colin Brinkmann now a Warrnambool Rotarian was also in attendance.

Rotary Art Show

Congratulations to Brian Jenkins, the art show committee, and all the Rotarians who helped, for hosting an incredibly successful art exhibition. The Gala night saw a great turnout, with numerous artworks being bought. Judge Joshua White was once more thoroughly impressed by the diversity of materials used and the quality of the artwork on display. See the Art Show website <https://artshow.rotaryhamilton.org.au/> or for more photos our club Facebook page
