Club Night Wednesday 12th July 2023.

Bulletin Notes compiled by Rose Howard.

President Noel welcomed members and our guest Jordie Anthony, who attended RYLA.

- Reminder that membership fees are now due.
- The Casterton changeover is on July 20th
- Donate for Life Week is 23-30 July
- Rochester flood relief. A lot of the hotels and cafes are open again, and it would be great if they could get some support from people travelling through.
- If you haven't returned your Child Safety forms to Lyn, please do so asap.
- The DG's visit is next week, so the board meeting will be at 4pm at the Speckled Frog.
- RLI registrations are open until Next Monday so you need to get in quick.
- Defying the Drift will be at Longrenong College on 18-20 September.
- The Polio Plus Society is going to be introduced into the district soon.
- Jenny Barke told us that the Klyber Domin buildings are going to be all cabled, so that everything will be able to be prepared for computerisation. John Kirby will be the new Treasurer of Ryder Cheshire Australia.
- Simon thanked all members who have put their names down for Sheepvention volunteering.
- Bob gave us a run down on our finances, and asked that all members think about our Service spending, for the coming year. A copy of this presentation is now available for members on the shared club google drive, under reports and annual reports. Note this is not the full year end report which will be available later this month.

Sophie, who attended the NYSF couldn't come to tell us about her experience, but she

reported that it was an amazing experience and gave her a beneficial insight into Science. NYSF is still going, and nominations are open for it.

GUEST SPEAKER: Jordie Anthony, a stock agent from Elders Hamilton, spoke about his experience at RYLA. The participants met at Cobden and then drove to Kangarooobie at Princetown, for their week's stay. The students were from all states. At the end of each day's activities, the students found they had gained more confidence, while discussing what they had done and how they had gotten to know each other. They did some very confronting exercises, which put them out of their comfort

zone. One exercise was to write their own Eulogy (which was only shared with one person!) Most of what they did was interactive.

Jordie said that 3 things stood out, and these were; don't judge people, stand up and be heard, and no phones. He felt it was a wonderful life enhancing week and he will always remember it. He thanked Rotary Hamilton for giving him the opportunity to participate. Winner of the raffle was David Garfoot.

- President Noel thanked the members for attending and closed the meeting.

Next week will be at the Speckled Frog and DG Ian McKay will be visiting.

ROTARY HAMILTON SUPPORTS THESE YOUTH PROGRAMS

Defying the Drift
 Defying the Drift starts with a challenging residential program at leading tertiary agricultural institute, Longerenong College, where participants learn new skills, discover many rural futures, visit a range of rural enterprises, meet some great young agriculture role models and have a great time. Years 10 & 11 students
<https://www.defyingthedrift.org/about-rural-support/>

National Youth Science Forum NYSF
 The National Youth Science Forum (NYSF) Year 12 Program is designed to give students a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics (STEM) and to encourage continued studies in these fields. Held in January
<https://www.nysf.edu.au/programs/year-12-program/>

Rotary Youth Leadership Award RYLA
 is an intensive leadership experience organized by Rotary clubs and districts where you develop your skills as a leader while having fun and making connections. RYLA participants are nominated by local Rotary clubs. Ages 18-25 <https://ryla9780.org/>

Rotary Youth Exchange RYE
 Students learn a new language, discover another culture, and truly become global citizens. Exchanges for students ages 15-19 are sponsored by Rotary clubs in more than 100 countries.
