At our last meeting Peter Irvin did drop a tip for the Everest at Randwick last Saturday.

For those who took heed “Nature Strip” won the richest race in the World and has connections, some of whom are local. They pocketed a tidy \$6 million.

12 horses, 1200 metres, \$15 million to be won or lost in a little over a minute. The world’s richest turf race, The TAB Everest attracts the world’s best sprinters and the fifth running of the race. With a 27kg trophy featuring 7777 black diamonds and a winner’s cheque of over \$6m to be won the stakes have never been higher.

Family of Rotary – all our members and their families are important to us.

Online meetings

It was great to see a couple of our members who have not been zooming join us online along with some Rotarians from other clubs. With limitations on numbers allowed at venues this is going to continue to be a way of keeping connected, so I urge members to **UPSKILL** themselves to take advantage of what President Brian and Program organiser John Main have endeavoured to secure. Simon can step you through the process.

Celebrating WORLD POLIO DAY
Polio: So Far, So Good - So Close!

This 45 minute Online Fundraiser is a CELEBRATION of World Polio Day & Rotary's PolioPlus Journey. Rotarian & Polio Survivor Gary Newton will be talking to a number of different people, all with a special connection to polio. The event will pay tribute to Sir Clém Rouleau plus support the RT Foundation's PolioPlus Campaign and Polio Australia's work with polio survivors.

All Rotarians are invited to join us for this Live Event on Teams, introduced by DG John Clue 25 October 2021 at 7pm Register at www.rotary9780.org

Weekly Bulletin, Webpage and Facebook

The weekly bulletin will eventually be published through ClubRunner.

Our club webpage can be accessed on <http://portal.clubrunner.ca/1943> It is now live.

This will allow stories from our bulletins to be published on the webpage and information from the District and RI webpages (which also use ClubRunner) to be shared.

Our club also has a Facebook page which shares stories and events, and this page is also shared to other Facebook pages to get our message out. <https://www.facebook.com/rotaryhamiltonvicau>

Rotary vs. Polio: A Timeline

Rotary is an international community that brings together leaders who step up to take on the world's toughest challenges, locally and globally. The eradication of polio is one of our longest standing and most significant efforts. Along with our partners, we have helped immunize more than 2.5 billion children against polio in 122 countries. We have reduced polio cases by 99.9 percent worldwide and we won't stop until we end the disease for good.

2009 Rotary's overall contribution to the eradication effort nears \$800 million. In January, the Bill & Melinda Gates Foundation pledges \$355 million and issues Rotary a challenge grant of \$200 million. This announcement will result in a combined \$555 million in support of the Global Polio Eradication Initiative.

2011 Rotary welcomes celebrities and other major public figures into a new public awareness campaign and ambassador program called "This Close" to ending polio. Program ambassadors include Nobel Peace Prize Laureate Desmond Tutu, violinist Itzhak Perlman, co-founder of the Bill & Melinda Gates Foundation Bill Gates, Grammy Award-winning singers Angelique Kidjo and Ziggy Marley, and environmentalist Dr. Jane Goodall. Rotary's funding for polio eradication exceeds \$1 billion.

2012 India surpasses 1 year without a recorded case of polio and is removed from the list of countries where polio is endemic. Polio remains endemic in just 3 countries. Rotary surpasses its \$200 Million Challenge fundraising goal more than 5 months earlier than expected.

2014 India goes 3 full years without a new case caused by the wild poliovirus, and the World Health Organization certifies the South-East Asia region polio-free. Polio cases are down over 99% since 1988.

2019 Nigeria goes 3 full years without a new case caused by the wild poliovirus.

2020 The World Health Organization certifies the African region wild polio-free, and certifies the South-East Asia region polio-free. Polio cases are down over 99% since 1988.
