President's Update

Rotary Board Meeting – 21 July 2021 held on Google MEET

Welcome to our Bulletin during yet another COVID inspired lock-down. I hope that you are all doing well and finding plenty to occupy yourselves with.

Next week's meeting will be held on Google Meet. Avenues of Service Directors will present the outcomes of last week's Club Assembly and Noel will present on RAWCS. Please try to join in and if you are having trouble with the concept, Simon will be more than happy to walk you through the process. It's a great way to keep in touch.

Name Change

The relevant paperwork has been sent to Rotary International for their approval. We are expecting to receive this advice by early next week.

We are also required to submit the amended Constitution to Consumer Affairs for their noting. Lyn is in the process of completing this requirement.

Brumley Park. The new playground has been open to the public and there were quite a few children braving the cold weather. The signage will be erected once we are out of lockdown. We are planning an official opening at the end of August. Date to be negotiated. Noel reports that the old playground is destined for Papua New Guinea. We'll keep you posted.

Weekly Bulletin, Webpage and Facebook

The weekly bulletin will eventually be published through ClubRunner. I am in the process of setting up a club webpage that can be accessed on <http://portal.clubrunner.ca/1943> It is still in draft form.

This will allow stories from our bulletins to be published on the webpage and information from the District and RI webpages (which also use ClubRunner) to be shared.

Our club also has a Facebook page which shares stories and events, and this page is also shared to other Facebook pages to get our message out.

Rosters

You will also find the rosters at the end of this bulletin for the next two meetings. They will continue to be on the shared drive, and you will also receive an SMS from Simon before the meeting to remind you. If you cannot do the roster, please find a replacement.
