Notes from Meg & Bob

President Noel welcomed Rotarians to the meeting along with guest speaker Tori Ball & her parents Brian Ball & Katrina Rainsford.

President Noel reported:

- He attended the regional meeting at the weekend.
- The club donated \$5,000 to WDHS for new chairs, in line with the budget.

Meg Watson circulated a roster for ticket selling outside of Woolworths, this will start next week.

Marg Moffatt in her role of environment coordinator:

- Commented on the good looking laneway behind the NAB & suggested that we may have a hand in maintaining the garden.
- Needs volunteers for Tuesday of next week, 10:00 am at the lakeside Rotary park for some general maintenance. There was a promise of morning tea with cake.

Youth director Leo Cummings introduced Tori Ball to speak about her upcoming scholarship for a PHD at Durham (UK) University which is to be funded through a Rotary International scholarship grant.

Tori had attended Hamilton & Alexandra College & also NYSF which apparently turned her off science. Her school & university studies were strong in the areas of politics, & drama which she sees as complimenting each other. She has been politically active in many areas mostly relating to environmental issues.

Her PHD focus will be in Anthropology & how that links with politics & climate activism & she hopes to engage farmers to adapt their practices & ethics in line with this.

Noel thanked her for the presentation & wished her well with the Rotary sponsored university experience.
