Weekly Bulletin, Webpage and Facebook

The weekly bulletin will eventually be published through ClubRunner. I am in the process of setting up a club webpage that can be accessed on <http://portal.clubrunner.ca/1943> It is still in draft form.

This will allow stories from our bulletins to be published on the webpage and information from the District and RI webpages (which also use ClubRunner) to be shared.

Our club also has a Facebook page which shares stories and events, and this page is also shared to other Facebook pages to get our message out.

Rosters

You will also find the rosters at the end of this bulletin for the next two meetings. They will continue to be on the shared drive, and you will also receive an SMS from Simon before the meeting to remind you. If you cannot do the roster, please find a replacement.
