NOVEMBER - ROTARY FOUNDATION MONTH

THE ROTARY FOUNDATION

YEARS OF DOING GOOD IN THE WORLD

The Rotary Foundation transforms your gifts into projects that change lives both close to home and around the world. As the charitable arm of Rotary International, we tap into a global network of Rotarians who invest their time, money, and expertise into [our priorities](#), such as [eradicating polio](#) and [promoting peace](#). Foundation [grants](#) empower Rotarians to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact.

Strong [financial oversight](#), a stellar [charity rating](#), and a unique [funding model](#) mean that we make the very most of your contribution. [Give](#) and become a part of Rotary's life-changing work!

The collective leadership and expertise of our 1.2 million members helps us tackle some of the world's biggest challenges, locally and globally. We are united by common values and vision for the future as we sharpen our focus with targeted specific causes that will reach communities most in need.

GUIDING PRINCIPLES

For more than 100 years, our guiding principles have been the foundation upon which our values and tradition stand. The Four-Way Test, Object of Rotary, and the Avenues of Service express our commitment to service, fellowship, diversity, integrity, and leadership.

AREAS OF FOCUS

We direct our efforts in six areas to enhance our local and global impact. Our most successful and sustainable projects and activities tend to fall within the following areas:

- Promoting peace
- Fighting disease
- Providing clean water
- Saving mothers and children
- Supporting education
- Growing local economies

HISTORY OF THE ROTARY FOUNDATION

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment "for the purpose of doing good in the world." In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

GROWTH OF THE FOUNDATION

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. "Daddy" Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

EVOLUTION OF FOUNDATION PROGRAMS

1947: The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

1965-66: Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

1978: Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

1985: The [PolioPlus program](#) was launched to eradicate polio worldwide.

1987-88: The first peace forums were held, leading to [Rotary Peace Fellowships](#).

2013: New [district, global, and packaged grants](#) enable Rotarians around the world to respond to the world's greatest needs.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totalling more than \$1 billion.
