Please note the following:

- Peter Walscott has resigned from the club due to ongoing work commitments. WE thank him for his contribution over the time he was in the club.
- Clean Up Australia Day to be held on Friday 4 March – details to follow.
- Joint meeting with the Casterton club will be held in Coleraine on 30 March at the station –further details to follow.

- Our new name badges are on their way.

Members present at the meeting were asked to complete a survey as part of our Strategic Plan. Those not present will receive one by email to complete. This will help us move forward with our planning.

## February Peace and Conflict Prevention/Resolution Month

### Rotary and its members are:

- **Practitioners:** Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.
- **Educators:** Our Rotary Peace Centers have trained over 1,300 peace fellows to become effective catalysts for peace through careers in government, education, and international organizations.
- **Mediators:** Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.
- **Advocates:** Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.
