### ROTARY BRANDING

This is the perfect time to review all your publications, websites, social media pages and flyers to ensure that your use of the Rotary Brand is compliant with RI's requirements. In particular, to ensure that you are using your Club Signature Logo (created in the Brand Centre on the RI website), and that you are not using the Mark of Excellence (wheel) on any platform without your club logo close by.

RI has asked all District and Zone Public Image representatives to ensure that correct branding is being used by Clubs, as the power of the Rotary brand is at its maximum impact when we are all presenting it in the same way in our communities.

### Weekly Bulletin, Webpage and Facebook

The weekly bulletin will eventually be published through ClubRunner.

Our club webpage can be accessed on <http://portal.clubrunner.ca/1943> It is now live. This will allow stories from our bulletins to be published on the webpage and information from the District and RI webpages (which also use ClubRunner) to be shared. Our club also has a Facebook page which shares stories and events, and this page is also shared to other Facebook pages to get our message out.
