Club branding and Public Image (Simon, Lorraine, and James)

All our signs and clothing need to be updated with new club name and the correct logo and branding. We need to put forward a coordinated and more professional image. We have funds set aside in our administration account for this purpose and it is one of the major actions of our Strategic Plan.

- Large sign on Rotary Shed
- Purchase several sandwich boards which can have different signs printed on the corflute inserts. Ideas for what to put on these signs. (Art Show, Sheepvention, Generic Rotary at Work)

February 2023. Peacebuilding and Conflict Prevention Month.

Rotary creates environments of peace

By carrying out service projects and supporting peace fellowships and scholarships, our members take action to address the underlying causes of conflict, including poverty, discrimination, ethnic tension, lack of access to education, and unequal distribution of resources.

FEBRUARY IS

Rotary's Four Roles in Promoting Peace

Rotary and its members are:

- **Practitioners:** Our work fighting disease, providing clean water and sanitation, improving the health of mothers and children, supporting education, and growing local economies directly builds the optimal conditions for peaceful societies.
- **Educators:** Our Rotary Peace Centers have trained over 1,300 peace fellows to become effective catalysts for peace through careers in government, education, and international organizations.
- **Mediators:** Our members have negotiated humanitarian ceasefires in areas of conflict to allow polio vaccinators to reach children who are at risk.
- **Advocates:** Our members have an integral role as respected, impartial participants during peace processes and in post-conflict reconstruction. We focus on creating communities and convening groups that are connected, inclusive, and resilient.
