The Rotary month of August is dedicated to **Membership and New Club Development**. This month focuses on attracting new members and establishing new clubs to expand Rotary's reach and impact. Rotary International has expanded its club structures beyond the traditional model to include satellite, e-club, and passport clubs, among others, to enhance flexibility and appeal to a broader range of individuals. These new formats address diverse needs, such as busy schedules, geographical limitations, and specific interests.

Rotary Moment

Congratulations to Murray Elliott who will be celebrating his 95th Birthday on 8 August
 Murray still attends our Rotary meetings and takes a keen interest in everything around him.
