Rotary International's Structured Programs for Youth Service are: Interact, Rotaract, Rotary Youth Leadership Awards, and Youth Exchange. The month of May is designated as "Youth Service Month" to focus on all Rotary activities that support the development of young people up to the age of 30.

Happy Anniversary to all WOMEN in Rotary. On the May 4th in the year 1989 COL approved female membership.... & The rest is History

It took a 1987 Supreme Court decision to force the action and an additional 2 years for COL to act. And there are still clubs throughout Rotary that don't fully accept that women are Rotarians. Yes, we can celebrate this action from 1989 but don't lose sight of what struggles occurred to get to that point and on to today. And the struggles that continue with all aspects of diversity, equity, and inclusion (DEI)
