

Project Partner

# Rotary

## Clubs of Geelong and District

**Come and join Rotary's project to plant 100 nature strip gardens in 2026!!**

## **Greening City of Greater Geelong**

### **THE IMPORTANCE OF BEES**

Bees are essential pollinators of native plants, supporting biodiversity and ecosystems

### **CREATE POLLINATOR PATHWAYS**

Plant native wildflowers to provide food and habitat for bees and other pollinators

### **CONSERVE WATER**

Drought-tolerant species requiring less watering can be used to establish nature strip plantings.
