

Rotary Club Of Horsham East

District 9780

Annual Report
1992 - 93

ROTARY INTERNATIONAL THEME 1992 - 93

Rotary Club of Horsham East Inc.

Presidents Report 1992/93

At the start of the 1992/93 Rotary Year I heard a train whistle blow and when the train arrived at the Horsham Sports and Community Club the year 1992/93 commenced for the Horsham East Rotary Club. It is therefore my pleasure as President to present the Annual Report for the year 1992/93.

My aim for the year was to increase membership, but due to transfers, business commitments and personal reasons this was not achieved due to eight resignations. But it is with great pleasure that the following Rotarians were inducted into the Rotary Club of Horsham East this year, Kevin Walsh, Bruce Kuhne, Dennis Grosser, Maurie Crooke, Terry Harris, Barry McClure together with their Ladies Debbie, Clare, Cynthia, Gayle, Carol and Win. I extend a big welcome to you all and certainly hope that you will enjoy the involvement and fellowship in Rotary for many years to come.

To Vice President George Cornwall, President Elect Robert Aisbett, Past President John Nunn, Club Service Director Bob Hayes together with Directors Iain McNee, Peter Dougherty, Barry Bell, Geoff Tually and Steve Sostheim I say thank you very much for all your assistance and confidence throughout the year, by the reading of the various Directors Reports you will see that the Club has been active in all avenues of Rotary Service throughout the year.

To the Club Treasurer Lynne Edwards thank you for looking after the Club finances, as you will see by the Treasurer's Report the Club started and finished the year in a sound financial position.

Secretary John Waddell thank you very much for your support and assistance throughout the year a job well done. I would also like to thank Vice President George Cornwall for filling in as acting Secretary while Secretary John was away touring the western half of Australia.

To the Club Services Committees, Sergeant at Arms, Membership, classification, Attendance, Bulletin, Program and Properties thank you all for a job well done and a special thank you to those Rotarians who stepped in and became chairman when vacancies occurred throughout the year.

The Club says thank you Geoff Hancock & Jack Schier for making and installing the heater in the clubrooms at very little cost. This has certainly increased the comfort of our meetings that are held at the Clubrooms in the cooler weather. There were six meetings held at the Clubrooms throughout the year. I must congratulate Fellowship Chairman Peter Dougherty, his committee and especially his good Lady Carol. There was an excellent variety of meals provided. They were most certainly enjoyed by all who attended these meetings. Well done Peter, Carol and your committee.

We have the pleasure this year of hosting Exchange Student Matt Hemly from Courtland California U.S.A. sponsored by the Walnut-Grove Rotary Club. Matt's year is nearly over and he will be returning home to the U.S.A. in July. He has been an excellent ambassador for his town and country as well as a good student. We know that Matt will take back many pleasant memories and experiences of his stay with us at Horsham.

We also had the pleasure of meeting Matt's parents who came to Australia in April and visited Horsham. Rotarian Doug and Cathy Hemly joined with us on our interclub visit to Warracknabeal. A special thanks to Matt's councillor Rotarian Robert Walter and many thanks to all those rotarians and their wives who hosted Matt during his stay with us.

This year Peter Thompson is our sponsored exchanged student to Norway, he is staying in the town of Gran. I am sure like Matt he will be enjoying his stay in Norway and will have many experiences to tell us when he returns home.

Congratulations to Brock Stephens who will be our sponsored student to South Africa in January 1994

We are looking forward to Exchange Student Aline Vandermolten who will be arriving from Belgium in August. Thank you to Euan Thompson who will be Aline's councillor and to those families who will be hosts to Aline during her stay with us.

Seven of our Rotarians together with their Ladies attended the District 9780 Conference held at Deacon University Geelong. The keynote speakers, hospitality, Rotary Workshops, entertainment and fellowship were certainly enjoyed by all those who attended. During March Horsham East and Horsham Rotary Clubs were hosts to the Group Study Exchange Team from District 7010 Ontario Canada. At a combined meeting of both clubs an excellent evening was held at the Sunnyside Bowling Club. The team presented a fine selection of slides showing the magnificent scenery and life style of their country. A truly great weekend showing one aspect of Rotary International Foundation at work.

Unfortunately we lost our title as Tug of War Champions at the Group Picnic at Warracknabeal. But we can certainly work on that. so I suggest start eating fellows.

A special thanks to P.P. Jim Lonsdale and his committee for a well run Art Show. A complete club effort as the report shows it was both a social and financial success.

Congratulations to P.P. Geoff Tually who was nominated by this club and has been selected as the District Governor Nominee for District 9780 in the year 1994/95.

A great honour for Geoff and this club. D.G. Nominee Geoff will be looking for the full support of this club during his year in office and from both Horsham Clubs when the District Conference is held at Horsham in 1995.

Rotarians John and Anne Waddell Together with George and Ruth Cornwall attended the World Rotary Convention held in Melbourne during May. We look foreword to JoHn and George giving us a report on their experiences at the Convention.

To District Governor Jeff Binder and Beryl,D,G, Representative John Collins and Dianne for your help support and friendship during the year. Thank you it was greatfully appreciated.

To all Club Members and their Ladies thank you for giving me your support and friendship throughout the year,it was greatly appreciated.

Finally thank you all club members for allowing me to be your President for the past year. Hoges year has come to an end and the Train is ready to depart.
To Rob and Jan I wish a most successful and enjoyable year for 1993/94.

Yours in Rotary

Kevin Hogan

President 1992/93

CLUB SERVICE REPORT

1992-1993

The past year has been one of ups and downs with membership. The first half of the year we lost several members through work-related moves. Our numbers fell to well below the normal 50 plus.

However, during the last six months we have recruited well, and the numbers are nearly back to the starting figure of 51 members, plus 1 honorary member. The present situation is 50 members and 2 honorary members.

The attendance at meetings has improved slightly to 75%; with a little more effort it may be possible to reach that magical figure of 80%!

One interesting aspect over the year is 500 apologies but only 71 make-ups - perhaps this is the area that lacks attention. Overall, our attendances during 1992-93 have shown improvement, so let's work on that for the next year.

My sincere thanks to Jim Lonsdale and his committee for their year's effort. Also the Classification Committee, chaired by Bob Mibus, for their performance.

Sergeant Stan More has been very active in relieving members of their money. Stan has been capably assisted by Trevor Bysouth. Both gentlemen have provided members with a very colourful fines season. Well done!

Program Committee - David Leembruggen again handled his portfolio in a very professional manner. David, thank you for your effort.

The Bulletin Committee was led by Allan Vickers. Members would appreciate the Bulletin arriving on time each week, keeping them fully informed on Club activities - not an easy task. Congratulations on a job well done.

Attendance Officer, Greg Schreck, assisted by David Owens. These men showed dedication to the task with correct percentages each week. We would hope to see Greg continue in his position. Top effort!

Properties - Tony Schiavillo and Parvell Wajseyel, congratulations for having all the banners in place on time. Tony had major surgery during the year, but, like a true professional, he was soon back on the job. All members would applaud your efforts.

Clubrooms Committee - Geoff Hancock and his assistants are to be congratulated on continuing to provide members with first class clubrooms, including our new heater which adds to our comfort.

Rotary Information was in the capable hands of John Nunn and George Cornwall. Members were kept up to date with Rotary matters throughout the year. A great job, John and George.

George Cornwall also organised our dinner badges during the year. Thanks again, George.

To the other committees - Club Historian, Brian Brook; Public Relations, Barry Bill; Conference Organiser, Robert Aisbett; and last but not least, Apologies, Lindsay Smith. My sincere thanks for your efforts during 1992-93.

I would like to express my gratitude to all committees for their genuine efforts to achieve the goals required to make our Club successful and enjoyable.

May we strive for 100% attendance in 1993-94.

BOB HAYES

Programs 1992/93

Date	Program
July 1st	Traineeship in the Workplace-Mark De Clifford
July 8th	Life and Job Talk-Warwick Knight.
July 15th	Club Assembly.
July 22nd	Policing in the Wimmera-Chief Insp. Mike Rogers.
July 29th	My Exchange Year in Denmark- Emma Koch
August 5th	"K" Force Korean Veteran - Jack Lang.
August 12th	Wimmera Community Road Safty Committee-Frank Desero
August 19th	Art Show Working - Town Hall.
August 26th	Rotary International Golf Fellowship Tournament-Rtns.Dennis Wade & Daryl Kitchin Horsham R.C.
September 2nd	Deregulations in the Communications Industry- Leo Rennie Telecom
September 9th	Wimmera Job Match - Pam Clarke.
September 16th	Theatre Night-Blyth Spirit-Horsham Art Council.
September 23rd	Director V.I.D.A. - Bill Scowcroft.
September 30th	Club's Exchange Student from Courtland California U.S.A.-Matt Hemly.

Greg. Schreck
(Attendance Chairman)

Vocational Service Committee Report
1992-93

The programme mapped out by the committee was to,

1. To have a guest speaker for Vocational Service month - September. The planned speaker was unavailable at the last moment and I spoke on Recognition of Prior Learning (R.P.L.). Many people who seek to undertake some form of formal education often do not recognise the range of skills they already have that may be applicable to their proposed study. R.P.L. seeks to review these skills and determine the degree of credit, if any, that may be granted towards the course.
2. To continue to offer the experience of Rotarians to assist secondary school students with career decisions. This project did not proceed.
3. Continue the Pride in Workmanship Awards. New nomination forms and posters were designed. Extensive radio, 3WM and the ABC announcements, coupled with Club (both our Club and Horsham) announcements produced nine (9) nominations. Six Awards were presented on the 5th May and publicised in the Wimmera Mail Times and over 3WM. Selection of the six Awardees from the nomination was very difficult.
4. An industrial visit. This visit is planned for June 23rd to the Kitchenman, Horsham. Even during the recession this business operates two shifts per day.

Finally I would like to thank my committee for their involvement and interest during the year.

I offer my best wishes to David Owens and his Committee for 1993-94.

Geoff Tually, Director.

Rotary Club of Horsham East Inc.

Community Service Committee Report 1992/93

The committee commenced the year by listing all the proposed activities to be pursued during the year and allocating responsibility for their organisation among committee. This worked particularly well and as Director I would like to thank all members of the committee for their effects.

Basically we followed what appears a fairly traditional program, but we embarked on a Neighbourhood Watch investigation as our new and key venture for 1992/93.

Thankyou to all Rotarians for their assistance. Whenever a need for time and energy was required, members willingly offered to be involved and this certainly made the committee's task an easy one.

The following is a summary of this years activities.
Neighbourhood Watch - Members surveyed the Sunnyside Horsham area to establish whether residents were interested in being part of the Neighbourhood Watch Scheme. Following the successful survey a Neighbourhood Watch Program has been started and is functioning well. A letter of thanks was received from Sgt. Bluey Reid of Horsham Police for our assistance. Thankyou also to the Quota Club who helped us with the survey.

Meals on Wheels - Our Club was once again involved with this well worthwhile service again this year. Thanks to Rob Aisbett for his organisation.

Show Drinks and Ice Creams - All members gave freely of their time and effort to ensure a successful operation. One year the weather will be great and we will make a fortune. Until then we should be satisfied with the service provided to our community and the fellowship enjoyed. A special thanks to Horsham Dairy, Coca Cola and Peters who all helped us greatly.

Veta Landt Fountain - Again maintenance working bees were held and were well supported. The fountain continues to be an attractive addition to the area. Seating has been established in and around the fountain. Thanks to the City of Horsham. Special thanks to Rob. and Cec. for their work.

Vulcan Plantation - The plantation was again cared by the members of Rotary and the children of the Horsham North Primary School. Thanks to those Rotarians who assisted with this work.

Several Rotarians were involved in organising and serving at the Australia Day B.B.Q. tea held in May Park. Thanks Graham who made a special trip back from Adelaide.

Fishing Competition - Once again Horsham East Rotary Club provided stewards for the Apex Fishing Competition, which is a great event for the City of Horsham. The three year rostered system in place appears to work well but is a bit out of synchro due to changes in the Club's membership.

Elderly Citizen's Bus Trip - Again a great event for the elderly citizens of our town was organised and a great time was had by all. Especially afternoon tea at Rtn. Jack Schier's home. Many thanks to Brian Brooke for his organisation and to Jack for the use of his home. Also to the Ladies for providing the afternoon tea.

Community Collections - Again thanks to Brian for organising collections for Red Cross and the Salvation Army.

A very successful day and fellowship was held to ensure that Kay Davey had a more than adequate supply of winter fuel. Thanks to Kay for the great food supplied at the end of the working bee and to the two Jack's for organising the event and supplying the saw bench.

Recommendation.

The division of responsibilities. Each committee member should have the responsibility for one or two projects. The Director should I believe look after the Show Drinks and Ice Creams. The other events to be delegated to individual committee members.

The working bee at Kay 's should be regarded as a absolute must and that following the working bee a B.B.Q. should arranged by Rotary. Kay should be involved but not responsible for the B.B.Q

I believe the Community Service Committee should encompass responsibility for the organisation of the Travel Expo service which is a community service.

In conclusion could I once again tender special thanks to my committee members who took on jobs willing and dispensed their responsibilities efficiently and effectively. Thanks also to all Rotarians who were involved with this Service Arm of Rotary.

Iain McNee

Director Community Service Committee

Horsham East Rotary Club Inc

Youth Director's Report 1992/93

Another Rotary Year is about to finish, and to look back gives you a sense of satisfaction to see the work and rewards we have achieved.

I would like to thank my committee for their support and assistance during this year for the following programs.

We had a nominee for the CRA National Science Summer School in Canberra in Luke Wilson a student from Edenhope last year, but unfortunately he was unable to gain a place due to a very high entry standard. This year we have selected Robert Mills from the Horsham High who will now go onto further interviews at District Level.

Our two entrants in the Year 10 Siemens Science Summer School were Julie McDonald and Andrew Sargent who, presented their reports to the club on their return.

RYLA, the Rotary Youth Leadership Awards were again held at Whimpy's Little Desert Lodge at Nhill in April where we sponsored PETER Both of Wartook who came to Rotary to present his report. The second public speech he had ever presented - well done Peter

The Bill Davey Scholarship was awarded for the first time this year to Jaye Wilde who came to Rotary to be presented with this award. The Club is proud and pleased to be able to make this award in memory of the late Rotarian P.P. Bill Davey.

This year has seen the Rotary Youth Exchange program continue with Peter Thompson now learning Norwegian and snow skiing, having settled into his new town of Gran in Norway.

Matthew Hemly has nearly finished his term with us. Matt comes from Courtland U.S.A. and is being sponsored by the Walnut Grove Rotary Club, but still has his Outback Tour to conquer before flying back to California. I would like to thank Robert Walter for his services as Matthew's Councillor.

Our new incoming student will be here in August, Aline Vandermolen from Belgium, and we are looking forward to welcoming her to Horsham. Euan Thompson will be her councillor during her stay.

Brock Stephens has been selected to go to South Africa in January 1994, it was his country of choice and we wish him all the best for his student exchange. Barry Bell will be Brock's councillor and will keep the Club informed of Brock's progress and experiences while he is away.

In closing I wish to thank all the Host Parents, Interview Panels, Caterers and Councillors that have helped to make this another successful Youth orientated year.

I welcome Rotarian Warwick to the position of Youth Director next year which I'm sure he will enjoy.

Yours in Rotary
Steve Sostheim
Youth Director

Rotary Club of Horsham East Inc.

International Committee Report 1992/93

Horsham East Rotary International Committee this year included Barry Bell (Director), Geoff Chisholm, Pawel Wajszel George Cornwall, John VanDyk (part year) Bill Roberts. Noel Kubale, Keith Whitford and Alan Wolfe.

Horsham East has been involved in the hosting of a Group Study Exchange Team from Ontario Canada and together with Horsham Rotary Club held a combined meeting at Sunnyside Bowling Club. The Team presented an excellent programme and slide talk based on their home towns, state and country. During their stay with us over the weekend, a day was spent touring the Grampians also visits were made to the Vulcan Foundry the Wool Factory and the Victorian Institute for Dry Agriculture A special thank you to those Rotarians and their wives who hosted members of the team during their stay with us.

At the start of the year the committee's Budget was \$1000 to support Rotary Foundation with proceeds from fines and coppers. This target is within reach and should be met.

The Club will also support the Australia Rotary Health Research Fund with \$1000 being proceeds from our weekly club raffle Thank you to all Rotarians for providing the weekly prize and to Rotarian Joe for a job well done.

George & Ruth Cornwall Together with John & Anne Waddell attended at the International Rotary Convention which was held in Melbourne in May this year.

We are still hoping to have two of our members to be involved in a F.A.I.M. Project to Western Samoa to build cyclone shelters

Following advertng for Ambassadorial Scholarships, which is funded from the Rotary Foundation an application from Suzanne Speakman was received to further her studies in Applied Science, Human Movement, Sports Exercise Science at a University in the U.K., Canada or U.S.A.. The next round of interviews will be conducted at Geelong on the 19th & 20th June. We wish Suzanne all the best for the future and hope that her application is successful.

There has been a lot of interchange of ideas at international level at Horsham East this year.

Yours in Rotary

Barry E Bell

Director of Internatiol Service Committee.

FELLOWSHIP COMMITTEE REPORT

1991-92

Fellowship gives members the opportunity to learn more about each other and helps us all work closer as members of Rotary, with the same objectives in mind. Fellowship strengthens our club and broadens our member's perspective.

During the 1992-3 Rotary Year my committee members were Rotarians Barry Latanzio, David Leembruggen, Joe Freijah, Geoff Hancock, Tony Schiavello, Kevin Plush, Jon Glatthaar, Euan Thompson and Jim Lonsdale, and I thank these Rotarians for their help in the following Fellowship activities.

GOLF DAY - a successful day, where we helped cater, along with the Horsham Rotary Club, for golfers and their wives at this annual event.

CHILDREN'S CHRISTMAS PARTY - Once again held at Aventure Island where we had a whisper that Santa would arrive by boat to visit our happy band of children. Icecreams and lollies were distributed and everyone young, and not so young had an enjoyable day.

CHRISTMAS DINNER - Our venue was the Horsham Sports and Community Club Ltd, where members, wives and guests enjoyed the food, fellowship and entertainment. We were treated to a delightful performance by Pam Goodman, accompanied by Mrs Marie Schirmer. President Kevin Hogan added to the evening with his poetry.

FISHING TRIP TO WENTWORTH - a fishing adventure over four days at Fort Courage was had by 13 members. These now expert fishermen caught approx. 350 fish, which added to the menu provided, and some even found their way home. The Perpetual trophy was claimed by Rotarian Jack Schier, and this great weekend was well documented by Rotarian Brian Brooke who captured 'candid' shots of we fishermen. This is a great week-end of fellowship and fun, and I encourage members to join in next year.

INTER-CLUB VISITS - WARRACKNABEAL - members travelled by bus to Warracknabeal Rotary Club and enjoyed an evening of fellowship. We were privileged to have our exchange student Matt Hemley and his parents join us on this visit.

STAWELL - We welcomed members of Stawell Rotary Club to our dinner meeting, where we enjoyed a guest speaker and their company.

FIRESIDE MEETING - The popular Fireside meetings were held again this year. The informality of members homes led to a casual evening of getting to know our fellow members. A vast range of topics, fine food and good fellowship occupied members well into the night. My special thanks to Rotarians and their wives who opened their homes for us.

MEETINGS AT THE SHED. - We held five meetings at the shed this year. They were well received and helped to raise extra funds for the club, and provided good fellowship. Many thanks to Rotarians Geoff Hancock and Jack Shier for providing the heater to enable us to have winter meetings in a very comfortable environment. Thanks also to President Kevin, and again to Rotarian Geoff for preparing the shed each time for these meetings. My thanks also goes to my wife Carol for helping with the catering for these evenings.

cont.

YOUTH EXCHANGE PROGRAM. - Rotarians and wives from our club catered for 26 officials over two days, providing three course meals. We also provided morning and afternoon teas for the students and their parents.

Best wishes to Iain McNee and his committee for a successful and enjoyable 1993-94.

PETER DOUGHERTY

DIRECTOR FELLOWSHIP COMMITTEE.

Your invitation to Fort Courage 1994

Dear Rotarians as addressed:

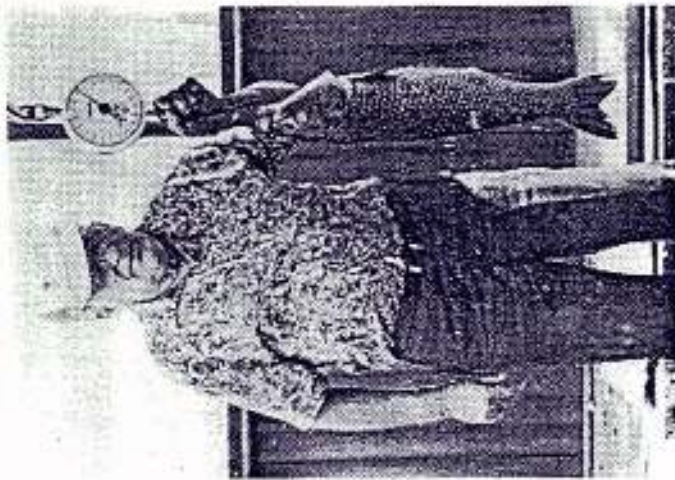

Barry B, Ab B, Trevor B, Geoff C, George C, Ken D, Colin E, Joe F, Jon G, Bob H, Kevin H, Cec H, Bruce J, Warwick K, Noel K, Bruce K, Ian L, Barry L, David L, Jim L, Rob M, Jack McL, Iain McN, Bob M, Stan M, John N, David O, Tony S, Greg S, Lindsay S, Euan T, Geoff T, Alan U, John vanD, Alan V, Kevin W, Rob W, Pawel W, Graham W

You were missed at Fort Courage in 1993.

Here are just a few pictures of your fellow Rotarians who bravely went fishing and relaxing together.

We hope this will whet your appetite enough to have you join us next time.

It was a great weekend of fellowship, fun, fish and not to much of anything else.

Jack caught the biggest fish; but it took Hancock to save it!

Exaggeration, wishful thinking or just lying?

Getting ready to bring home the fish; forget the dirty clothes!

1992 Art and Craft Exhibition Committee Report

Despite the difficult economic circumstances participation in the Art Show continues to be strong on all fronts.

The number of entries was maintained at about 614 which included 165 entries from 54 local artists. Public support with attendance continued to be excellent however sales of art works were again down on previous years. Nevertheless sales of \$15,500 were achieved.

Support from local businesses with sponsorship was maintained as is our fullest appreciation although cash sponsorships continue to reduce each year despite a concerted effort from many members of the Club.

A highlight of the 1992 Art Show was the opening night which was strongly supported by members of the Club, sponsors and the general public. Special thanks are recorded to Christina Hindhaugh for opening the Show and to our Judge Paul Margoscy. The Ladies of Rotary once again deserve special thanks for the superb effort with catering. Thank you very much.

The show yielded a profit of \$4287 which in some measure can be attributed to the success of the raffle conducted in conjunction with the show. The generous donation of two wonderful paintings by locally based artist Brad Boyd provide popular prizes. The importance of the effort of all members with selling tickets cannot be underestimated.

The Committee met regularly throughout the year with members taking responsibility for arranging the various aspects for the show. Rotarians Ken Dowsley (Raffle), Kevin Hogan (Sponsorship), Alan Vickers (Treasurer), Tony Schiavello and Joan Glatthaar (Printing and Publicity), Cec Hopper and Jack McIlree (Manpower and Hall), Rob Marshall (Entries, Display and Catalogue), David Owens (Opening Night Ticket Sales), Greg Schreck (Secretary and Catering) all worked diligently to bring everything together in time to ensure another successful and smooth running show. Thanks fellows for your efforts

Finally, I congratulate all Horsham East Rotarians and Ladies of Rotary for their support and input into the success of the 1992 Wimmera Art Craft Exhibition.
