

**Ink 67: Introduction to
Standing Committees of
Maryborough Rotary
2022-23**

Rotary Clubs all over the world tend to pursue their goals and do their “work” with a similar set of standing committees.

There may be differences between the actual number and names of committees in different clubs, but ultimately, all clubs are expected to cover the “jobs” or roles of the standard list of Rotary committees.

You can join sub-committees at a later stage.

We may need to tweak numbers later.

At their first meeting, committees will be asked to come up with their program of activities for the coming year

The program will typically include some ongoing customs as well as some new or refreshed significant projects – e.g.

Vocational Committee	
Ongoing Customs	New Projects?
Toasts to a world Rotary club	Apprenticeship Awards
Shine On Awards	
Student Mentors	

As a member of these committees, please use the opportunity to negotiate some **meaningful ways that you can personally contribute to club activities.**

For your interest, there are actually **5 avenues of service** in Rotary: the four listed as our committees above, and the other one is **Club Service**.

Club service refers to service like working on the Board, attending committee meetings, running the AV equipment, taking money at meetings, greeting members as they arrive etc.
