New members welcome!

The Rotary Club is always looking to increase its membership and extends a warm welcome to any community-minded person who may be interested in joining this vibrant group.

The **Rotary Club of Port Fairy** meets the 1st and 3rd Mondays of the month for a Dinner Meeting at the Star of the West Hotel in Port Fairy and would welcome anyone who might like to be our guest for an evening to meet club members and see how the Club functions. Meetings are semi-formal and friendly and offer a good amount of time for general fellowship with other members.
