**PRESIDENT’S REPORT**

I hope everyone enjoyed the awards night. I think it’s important to take the opportunity to thank everyone for all their hard work over the year. We have had some great projects, guest speakers and functions over the year. Thank you to my Board for all their hard work. Special thanks to Sue and Helen for putting together the annual report. It’s a huge amount of work.

Next week is our Changeover, which will be great night I am sure. We have the launch of our Country Education Foundation and a number of other activities for the evening.

Finally I would like to wish Tony and his incoming board all the best for their year. I am sure under Tony’s experienced leadership the Rotary Club of Warracknabeal can only achieve great things.

Yours in Rotary

Chris.

A light hearted night was the perfect way to finish the Rotary year. President Chris showed that he knows us all very well, as he presented each Rotarian and partners Joan and Karen, with an individualized certificate that highlighted some of the skills, idiosyncrasies and/or contributions of each of us. It was a way for Chris to say ‘Thank you everyone’. It was a fun night. And thank YOU Chris for a very productive and enjoyable year.
