PRESIDENT'S REPORT

October has been a very busy month. The Kyneton Rotary club are coming up for their Silo tour this week end. If you would like to catch up with them we will be at the Creek side Saturday night for dinner at 7.00pm. I am sure Martin would love to catch up with some old friends.

The Board had its meeting on Wednesday night. We are getting closer to introducing some form of corporate membership. It will be more specific to our needs than some other Bylaws that we have looked at.

The Board made the decision not to run a BBQ at this year's WAG Christmas party as it is on the night of our own Christmas break up. I hope the community and WAG understand we are a little stretched at the moment until we can induct some new members and spread the work load.

Next week's meeting is a film night at the shop thanks to the Fellowship committee and Rob DeVries . Rob is hoping that we can let him know some numbers for attendance and catering as early as we can. This would be a great night to invite some guests.

Rob and Pam have shifted most of their furniture this week so it would be a good chance to say good bye in the short term. They will be back again, but this is the start of their new life in Wyndham and we wish them all the best.

Have a great week Chris
