PRESIDENT'S REPORT

As I type this report Laura is winging her way to Germany. We all certainly hope that she has an amazing time away and my thanks go to Wendy, Ian and Lorraine for farewelling her from the airport on Saturday evening. I had the best of intentions of getting to the airport but unfortunately I did not manage to make this a reality.

At the Board meeting last week two of our most pressing issues were a focus for discussion.

These were finalising the Australia Day program and organising the Paddock to Plate to be held on the 6th April in Ben's magnificent woolshed. This will be a wonderful venue and offers us lots of opportunities. We have formed a committee and Wendy has been enlisted to head this. Thank you again Wendy.

Lindsay has alerted us to becoming prepared for Bowelscan once again. Julie O'Brien will be organising this with some help from Lindsay. Thank you to Lindsay for your commitment to this project.

This week will be a Club Assembly where we will set the agenda the next six months and identify any major projects and upcoming activities.

There will be no meeting next week due the Australia Day celebrations.

All raffle tickets are due in this week. Thanks Jean for organising this.

Chris.
