

The Warracknabeal Bulletin

Rotary

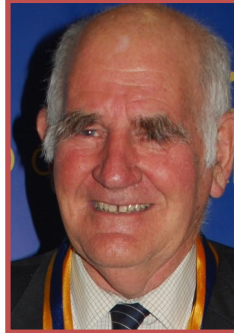

Club of Warracknabeal

Wed. Feb 19th. 2020 Vol 62, Issue 31

PRESIDENT'S REPORT

The Board meeting last Wednesday was again short and sharp with several issues needing attention. First, it is recognised that more work needs to be done with the funds that have been allocated to mental health. Second, there is progress on the Dog Park within Rotary Park but we need to have a Rotary Park committee meeting to make sure that all stakeholders are happy with progress. Third, the Clem Quick celebrations are progressing smoothly with a time, place, and now a menu and cost all agreed.

The combined Woodbine and Rotary garage sale is now locked in for Saturday 14 March.

Preparations are now completed for the Science and Engineering day for secondary school students in Horsham next Tuesday. A sizeable contingent from WSC will be attending along with facilitators John T, Wendy, and Tony.

The Club has been invited to the Minyip Probus (4 March) and the W'beal Ladies Probus (6 March) AGMs; could two members attend each please – to be decided at our next meeting.

Next week our returned exchange student Laura Daniel will be speaking to the Club – we all really look forward to hearing about her exciting year away in Germany.

Yours in Rotary,

Tony

Wed 19th Feb- BOARD MEETING

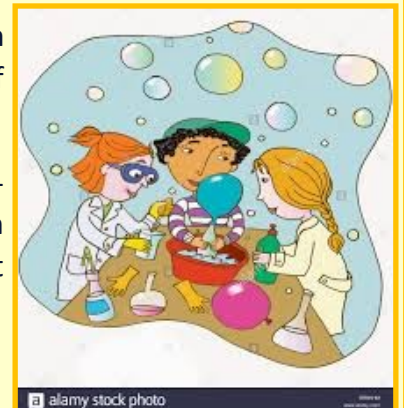

Summary of the Board Meeting in next week's bulletin.

Melb University SCIENCE & ENGINEERING CHALLENGE- Tuesday 25th Feb.

This is a full day of hands-on challenges presented to teams of students from secondary colleges from around the Wimmera. Set up by the University of Melbourne, the local event is coordinated by the Rotary Club of Horsham East.

Thanks to John Tonkin for helping to organise the event from the Warracknabeal perspective, and joining Tony Gregson as activity supervisors on the day. We hope everyone enjoys this event as much as everyone did the last time it was held.

Reports in next week's bulletin.

District 9780 CONFERENCE

March 20-22, Swan Hill

BE THE HEARTBEAT

District 9780 Conference Swan Hill 2020

Come along:

If you've never been to a District conference, or haven't been for many years, consider coming along this
