President’s report

What an excellent afternoon/evening of satisfying work and fellowship we had last Wednesday. I don’t think we have appreciated enough what we have missed over the last two months: constructive work for our community and our own personal interactions. Thank you Bernie for bringing us together in Rotary House with pizza’s to finish off an afternoon’s work.

Zoom has done us well over the last two months but I do think that we are ready to revert back to physical meetings and social interaction. I know many of us are now over Zoom ……… At the moment The Creekside can only accommodate a maximum of twelve of us so we have decided to forgo Zoom this week and return to Rotary House to hear our own Tim Hewitt give his maiden talk. I am assured that Bernie and his crew will provide another scrumptious meal.

Rotarians will be pleased to know that our regular visitor from Whyalla, Kerre Willsher, has just completed her PhD entitled “Caring and Disability in Rural Australia: A Feminist Standpoint”. Congratulations Dr. Willsher.

The Change-over night will be held at the Community Centre. There can only be a maximum of 50 people present so I will need numbers as soon as possible please.

As mentioned above, our next meeting will be at Rotary House with Tim Hewitt our guest speaker. We are also back to including other duties and reports at our meetings so please check the duties on the next page.

Enjoy your long weekend.

Yours in Rotary,

Tony

REPORTS

Bulletin Editor (Wendy)
Could all new board members send a very short report from the virtual District Assembly to the Bulletin please?

President Elect (Tony)
Changeover date is Wed 1 July. Plans are underway for it to be held at the Community Centre.

HIGHWAY CLEAN UP
It was good to get out and about, and doing something productive in the community. Eight Rotarians made quick work of collecting roadside rubbish along the Henty Highway, from the Werrigar Fuel depot corner to Batchica. Thanks to Frosty Gunn for also coming along to help.
Following that we all enjoyed a social gathering back at Rotary House for pizzas, ice cream, a drink and a chat. Thanks to Bernie and the Fellowship committee for organising the catering, and to Peter Martin for organising the working bee.

QUIZ ANSWERS
1. 1960
2. Portuguese
3. Kevin Heinze
4. Phar Lap
5. Dimitri Mendeleev 1869
6. 68.1 million

11. Elizabeth (Lizzie) Bennett
12. 300. As we grow up some bones fuse together.
13. a. 1997 MCG b. David Campese
14. 2007
15. 1938
16. Split Enz, New Zealand
Warracknabeal student features in the CEF (Country Education Foundation) newsletter.

Jessie Koschitzke, ex WSC student, is in her first year of tertiary education and learning to cope with pandemic restrictions.

Jessie is one of four local recipients of WDCEF funding to support her studies at university. Here is an article from about Jessie in the latest national CEF newsletter, Mid Week Muster.

Thanks to John Tonkin for both organising this article and catching up with all recipients to see how they’ve started university in these uncertain times. All reports indicate they are coping very well and enjoying their studies.

Rotary Shirts

The Board has agreed that we make a transition to an official Rotary polo shirts for our members. Although our current blue shirts are a great look and will still be worn, it will be easier for new Rotarians to order the official shirts through RDU (Rotary’s merchandise arm), rather than us organising our own club shirts. There are also many other items of Rotary clothing available through RDU - dress shirts, polar fleece a, caps, hats and jacket.

There are several polo shirt designs, we are going with the ‘Rotary United’ style. (below) The current heavy jackets and vests we have are the water repellent Geneva style, but you can alternatively get them in polar fleece fabric. There is also a lightweight jacket.

Rotary United

Mens Polo

Ladies Polo

Vest

Long sleeved tee

Light weight jacket

PLEASE ORDER YOUR OWN ITEMS.

We can add Warracknabeal and our own names in a bulk order with a local business at a later date.
1. When was the first Australian Falcon built? 1956, 1958, 1960 or 1962

2. What is the major language of Mozambique and Brazil? Spanish, Portuguese, French or Arabic

3. Who was the main presenter in the early ABC TV Garden Show ‘Sow What?’

4. Which Australian horse won the 1932 World Championship of racing at Agua Caliente?

5. Who devised the modern form of the Periodic Table?

6. There were 180 million sheep in Australia in 1980. How many sheep are there in Australia now? 68 million 123 million 210 million

7. What type of merino produced Ian Appledore’s million dollar bale of wool?

8. What’s the plastic covering that binds the end of a shoelace called?
