

Rotary Club of Warrnambool Inc.

District 9780

Annual Report

2017-2018

ROTARY INTERNATIONAL PRESIDENT, IAN H.S. RISELEY

District Governor, Ray Herbert

President, Trevor Williams

Snapshot of the 2017/2018 Rotary Year

- *BBQ to assist the Diabetes Research Group*
- *Support provided for Relay for Life with a BBQ and donation*
- *BBQ to support Muscular Dystrophy*
- *Gate keeping duties at the Show Gates*
- *Assistance throughout the Eisteddfod*
- *Contribution of 88kg by Club members to Foodshare*
- *Payment of truck insurance for Foodshare*
- *Management of another successful Father of the Year function*
- *Sponsorship of Standing Tall*
- *Contribution to the Let's Talk program*
- *Various yard clean-ups*
- *Contribution to Bryce Pace, Autism Advocate*
- *Hosting of two very successful fashion parades*
- *Updated items in the Camp Quality cabin*
- *Catered for the Camp Quality Family Camp*
- *Provided a new air conditioner for the Warrnambool Breast Feeding Centre*
- *Contributed to the Safe Steps Family Violence Response Centre*
- *Supported Relay for Life*
- *Provided volunteers at the Port Fairy Folk Festival*
- *Donated \$6,000 towards the Southwest Healthcare Prostate Cancer Detector Machine*
- *All time giving to Foundation was \$132,633.55*
- *Received a Rotary Foundation global grant of \$3,000 towards PNG projects*
- *\$6,000 contribution made by the Club to Rotary Foundation*
- *Raised Club profile through improved social media and support from local media*
- *Donated \$1,000 to Interplast*
- *Donated \$500 to Rotarians Against Malaria (RAM)*
- *Supported Donations in Kind (Geelong) sending humanitarian aid equipment and materials overseas*
- *The PNG International Humanitarian Aid Project team went to PNG in July 2017 focusing primarily on providing clean fresh water to remote villages in PNG*
- *Plans for the PNG International Humanitarian Aid Project continue into 2018 with another trip to PNG planned for July*
- *The Club hosted exchange students from Germany and Austria*
- *Two outbound students went to Austria and France*
- *The Club sponsored two young people to attend RYLA*
- *Sponsorship of the Warrnambool and Moyne Youth Achiever Awards*
- *Provided a Vocational Award of Excellence to Tim and Di Goodall of Warrnambool Timber Industries*
- *Sponsorship of the Great South Coast Science and Engineering Challenge*
- *Another successful Goods and Services Auction which raised over \$25,000*
- *Acquisition of an EFTPOS machine*
- *18 members enjoyed a great weekend in Daylesford*
- *Full and varied speaker program*

PRESIDENT'S REPORT

I have found my year as President to be very challenging but also very enjoyable and rewarding. I would like to thank all the Board members for their assistance, especially Sharon Stark (Secretary) and Michael Boyd (Treasurer) who have worked tirelessly throughout the year.

On a sadder note, unfortunately we lost two long term members with the passing of Ted Wilson and Jim Dwyer. Four members have resigned.

The Annual Dinner Auction was once again a huge success, thanks to Treasurer, Michael Boyd and the Fund-raising Committee. There is a great deal of work leading up to this event and all the people involved in pulling this major event together do an amazing job. I am sure this will remain a major fund raiser for years to come, as it continues to attract a large amount of community interest and is always a great night out. Of course, without the support of sponsors and the generosity of businesses and individuals within the community, this event could not happen, so a huge thank you to every individual, small business and company who donated goods, services, vouchers and funds for this event.

Other fundraising activities this year were: two fashion parades, manning the show gates, the Port Fairy Folk Festival, eight BBQ's and a car raffle over the Christmas period. Funds raised from these activities enable the Club to carry out a wide range of local community and international service projects.

Rotary Foundation continues to be supported strongly by the Club this year under the guidance of Foundation Director, Anne Adams. Our all-time giving to Foundation is now \$132,633.55 which represents the most significant project the Club has been involved with since its inception. Anne also plays a leading role in the Science & Engineering challenge as part of Vocational activities.

I would to thank our Community Service Director, Terry O'Neill and his team who have had a very busy year with a number of barbecues, the Port Fairy Folk Festival, Eisteddfod, Relay for Life, Father of the Year, yard clean-ups, fashion parades and ongoing sponsorship of Camp Quality, Foodshare and Standing Tall. This year further sponsorship was provided for the Southwest Healthcare Prostate Cancer Detector Machine, the Safe Steps Family Violence Response Centre, the Warrnambool Breastfeeding Centre, Let's Talk and many others. Thanks also to Tony Austin for organising the BBQ's for the last few years and I am sorry to see him step back from this leadership position.

Youth Director, Louise Keogh, contributed many hours ensuring all went smoothly for the Student Exchange program, both incoming and outgoing. We were delighted to have Benedikt Pfeil from Germany and Antonia Ederer, from Austria as our incoming Exchange Students this year. We welcomed Sarah Forbes and Carly McDonald home after their 12 months away. Sarah went to France and Carly was in Austria. All their presentations were enjoyed by the Club members. Rachel Furnell continued her strong commitment to the RYLA program. Thank you Louise and Rachel.

International Director, Tony Austin and his team, have worked hard on a number of international projects, i.e. Interplast; Rotarians Against Malaria; Donations in Kind (Geelong). The major activity has been the PNG International Humanitarian Aid Project, which focuses primarily on providing a reliable clean water source for villagers living in remote parts of Papua New Guinea. Another trip to PNG is planned later in 2018.

Club Service Director, Judy Ross, and the Club Service Committee have once again done a great job ensuring all things administrative have run smoothly throughout the year. Thanks to Anne Adams for providing an interesting program throughout the year, Graeme Ross for manning the attendance table each week and Ian Sharman for ensuring the Club's history and records are kept up to date. Robbie Blackmore, who is in charge of "Fun Stuff", has provided members with a variety of experiences, including morning teas at local cafes, and an overnight trip to Daylesford.

Thanks to Director Public Image, Richard Hawker and his team for promoting the Rotary Club of Warrnambool through local media, Facebook and the Club's website. Most of our projects have received great media exposure throughout the year. Karina Wood, with the help of her team of scribes, has produced an informative weekly Bulletin which is distributed to not only Club members, but many others on our mailing list.

Vocational visits and job talks with Club members contributed to our Vocational Service activities led by Vocational Service Director, Malcom Price. This year some of the highlights were visits to the F Project Art Gallery, the Lake Gilleard Gun Club and the Science & Engineering Challenge. Malcom presented Tim and Dianne Goodall of Warrnambool Timber Industries with a Vocational Award for Excellence of Service.

I would like to thank Sergeant at Arms, Ian Cairns who led the meetings with his usual panache and sense of humour. Ian also does a fantastic job coordinating the Father of the Year event each year. This is always a tremendous morning and provides an enjoyable challenge in deciding who the recipient of the Father of the Year Award will be.

Thanks also to Membership Director, Steve Giddens. Rotary is trying to make a difference and brings together people who use their combined expertise to tackle some of the toughest challenges facing our communities. Our ability to tackle some of the world's biggest challenges, both locally and globally, comes from the combined strength of our 1.2 million members worldwide. Imagine what we could accomplish with more members and more community support.

All the best for incoming President Michael Boyd and his Board. I will enjoy fully supporting this new team.

Trevor Williams

President

SECRETARY'S REPORT

My second year as Secretary has been a good year, now that I am familiar with the role. I would like to thank President Trevor Williams for his support throughout the year and also thanks to Board members for their continued support and regular reporting and attendance at Board meetings. Special thanks to Gerry Delaney who took on the role of Assistant Secretary and helped me out on a number of occasions.

MEETINGS

The majority of our meetings are held at the Warrnambool Football and Netball Club, Cramer Street, Warrnambool, where we have also been able to conduct our monthly Board meetings. A varied selection of guest speakers provided interest and members continue to enjoy each other's fellowship.

During the year a number of meetings were held at other sites throughout the Warrnambool community. These include: Lake Pertobe for our Christmas windup; the Wangoom Hall; Warrnambool Scouts; The Warrnambool Gun Club; the F Project (art gallery); and Warrnambool Rotary Daybreak meeting (May Race Day).

ATTENDANCE

We have enjoyed fellowship with Rotarians from other Clubs and members frequently invite family and friends along to meetings. This year it has been great to have Rotaract members regularly attend our meetings and become more involved in Club activities. Exchange Students Antonia Ederer from Denmark and Benedikt Pfeil from Germany attended many of our meetings and members enjoyed their presentations and hearing about their adventures in Australia.

LEGALITIES

The Club is registered as a Fundraiser with the Department of Consumer Affairs. The Club has an annual audit and the income and expenditure is monitored by reporting annually to Consumer Affairs Victoria.

Semi-annual returns to Rotary International have been submitted in a timely manner and all fees have been paid.

The Club is compliant with insurance requirements, which also include adherence to a Child Safe Standards policy which is aligned to current Victorian legislation. All members have read and signed the Code of Conduct and undergone a Working with Children Check. Geraldine Delaney has continued in her role as the Club's Youth Protection Officer and has done a great job monitoring and updating these records.

BOARD MEETINGS

Board meetings have been held regularly to manage the day-to-day issues for the Club. The meetings have been well attended and regular reports have been provided to members on decisions made at Board level.

LEADERSHIP FOR COMING YEAR

Next year's leadership group will be ably led by Michael Boyd with the following Board members: Past President, Trevor Williams; Vice President, Brian Trenery; Secretary, Sharon Stark; Assistant Secretary, Geraldine Delaney; Treasurer, Terry O'Neill; Community, Trevor Williams; Foundation, Ann Donaldson; International, Tony Austin; Youth, Rachel Furnell; Vocational, Malcom Price; Membership, Brian Trenery; Club Service, Delia Jenkins; Public Image, Richard Hawker. Geraldine Delaney will also remain in the role of the Club's Youth Protection Officer.

Sharon Stark

Secretary

Jenny Trenery, Brian Trenery, Judy Ross, Rachel Furnell, and Marie Bennett (absent) attended a Vice Regal reception at Government House for RI world President Ian Riseley and Juliet.

TREASURERS REPORT

Fund Raising Committee: Alan Bowes, Louise Keogh, Robyn Blackmore, Steve Giddens, Terry O'Neill, Tony Austin, Trevor Williams, Mary Fitzgerald, David Brown, Anne Adams, John Beks, Geraldine Delaney

ADMINISTRATION

The Club commenced the year with close to a breakeven budget for the year and we have made a small profit so far. The main reason is that all project expenses e.g. exchange student meals etc. have been charged against the Projects Account; this had not been common practice in the past.

Membership income has fallen with membership numbers.

We have also been fortunate that the Warrnambool Football Club has been able to accommodate late visitors or apologies each week.

It is intended that Club members will be made members of the Warrnambool Football Club in 2018/2019 to provide significant benefits to members.

The Club has now leased an EFTPOS machine that can be used for Club meetings and fund-raising activities.

PROJECTS

Our Community and International expenditure have been higher than budgeted for 2017/18 but this has been possible because of one off fund-raising activities such as the CFA BBQ.

The International expenditure is expected to balance out, but the PNG project straddles two financial years, so the final position will not be known until September 2018.

The Dinner Auction profit will determine the funds available from Club resources for 2018/19.

The Club has again made a significant contribution to Rotary Foundation (\$6000) plus extra money contributed by Club members.

The extra projects supported this year (beyond our budget) have included the South West Healthcare Prostate Cancer detection equipment (\$6000), End Trachoma (\$2000), the Warrnambool Breast Feeding Centre (\$500) and Parkinson's Support Group (\$650).

NEW IDEAS GOING FORWARD

The Club will explore the establishment of a photography exhibition and garden show as potential fund raisers for the next 12 months

THANK YOU

I would like to thank John Beks for his support as Assistant Treasurer when I have been away.

I would also like to thank McLaren Hunt for their assistance as not only Auditors, but also helpers with using MYOB, which I have not yet mastered.

A special thanks to the Fundraising Committee and to members involved in all activities throughout the year. Our Club is in a sound financial position because of the work put in by all members.

The following page provides a preliminary financial analysis to 31 May 2018.

Michael Boyd

CLUB SERVICE

Committee: Graeme Ross, David Brown, Jim Hanrahan, John Hunt, Alan Bowes, Louise Keogh, Svet Lineham, Andrea Sampson, Richard Hawker, Marie Bennett, Ron Bishop, Ian Cairns, Jane Chislett, Duncan Stalker, Ron Rauert, Graeme Ward

ATTENDANCE

Graeme Ross has continued as the leader of the attendance table team, members of which have inter-changed when necessary.

A new challenge has been introduced to the team with the introduction of an EFTPOS machine. This allows members (and guests) to pay for their meal by card.

As before, David Brown and his ever-efficient staff-member Annmarie Thwaites at SouthWest Credit, are to be sincerely thanked for their invaluable assistance in receiving apologies and notification of guests, then passing the information on to the Football Club and Secretary.

PROGRAMME

Anne Adams has provided us with a varied and interesting list of guest speakers. Always a challenge to come up with something new. Thanks Anne.

CATERING

Our ongoing thanks to the Warrnambool Football Club for their flexibility with the varying numbers attending meetings; the meals provided have generally been well received.

SERGEANT, FINES & SWINDLE

Sergeant Ian Cairns has run our meetings smoothly and successfully, with his unique brand of humour, often combining the roles of Sergeant and Fines Master.

Fines sessions are not always conducted, depending on the timeframe and nature of the meeting. Our thanks go to Ian, Trevor, Mal, John and Keith for keeping us on our toes and contributing to the Club's coffers, sometimes with an auction instead of fines.

Robbie Blackmore has continued to run the popular swindle, with members always willing to try their luck.

PROPERTY & CLUB HISTORY

Club Historian Ian Sharman continues his work quietly in the background, diligently keeping records of our Club. The storage facility at the Alan Lane Pavilion is still a work in progress.

FUN STUFF

Several morning teas have been held during the year, giving our members the opportunity to meet 'outside hours', and to show our gratitude to supporters of our Dinner Auction. Places we have visited this year have been Mack's Snacks, Reggie's Teahouse, Darriwill Farm and Cafe Lava.

Board members have enjoyed evenings at Logan's, Images, Clovelly and L'Edera - again supporting our Dinner Auction donors.

A very successful progressive dinner was enjoyed by those who attended. Thanks to the hosts and their helpers.

18 members and partners enjoyed a great weekend in the Daylesford region despite the weather being 'inclement', with their local economy being supported most generously. A similar weekend, perhaps to the Bellarine peninsular winery region, is being researched for the springtime.

THANKS

I would like to take this opportunity to thank all who have taken on roles I have asked them to. I know my successor Delia Jenkins will receive this same support.

Judy Ross

Director, Club Service

Sharon Stark, Michael Boyd and Judy Ross at the 2018 District Conference in Mt Gambier

Stylish releases but where do the balls go.....?

ROTARY SPEAKER PROGRAM

COMMUNITY SERVICE

Committee: Ron Rauert, Keith McLeod, Alan Bowes, Karina Wood, Louise Keogh, Robyn Blackmore, Michael Boyd, Sharon Stark, Andrea Sampson, Ian Cairns, Jane Chislett, Paul Forbes, Brian Trenery, Ann Donaldson.

At an April Club meeting, when advising members of the community service activities that our Club has been involved in or supported, I was amazed at what we had achieved in this Rotary year, not only in financial contributions to very worthy recipients but also in the many hours volunteered, either in supporting people and groups in our community or in assisting with the many fundraising activities that our Club undertakes.

While some Club members warrant special mention, our Club is like a good football team, a few stars and many support players, making up a wonderful team, with all members very much appreciated for the contribution they make.

The following is a list community contributions and community service activities that our Club has supported and had involvement in over the past Rotary year, in our local community.

BARBEQUES

- A Diabetes fund-raiser BBQ contributing all monies raised to the Diabetes Research Group.
- Relay for Life BBQ with all proceeds passed onto the Cancer Council Relay for Life program.
- A BBQ was held in Liebig Street to support a fundraiser for Muscular Dystrophy.
- The huge CFA Barbeque, which proved to be a great result for the Club.
- The Club also had three very successful Bunnings BBQ's throughout the year.

Special mention to Tony Austin and all his helpers on the great results the Club has achieved with all of these BBQ's.

SHOW GATES

Ticket box and gate-keeping duties were again taken on by Club members and Friends of Rotary over the three days of the Warrnambool Show. Well done to Malcom Price for coordinating this event.

EISTEDDFOD

We again assisted with door keeping duties at the Eisteddfod, thanks to Tony Austin and Rachel Furnell for handling the rosters.

WARRNAMBOOL & DISRICT FOODSHARE

We have contributed to the payment of Food Share's truck insurance premium, along with individual member weekly food contributions (88kg of food contributed as reported by Andrea Sampson) to the Foodshare bin, many thanks to Andrea Sampson for making the weekly drop off to Foodshare.

FATHER OF THE YEAR (FOTY)

We had another great FOTY event take place last year with record entries, multiple dignitaries in attendance and some wonderful media coverage, a big “well done” to Ian Cairns and his committee for coordinating our Club’s involvement in this event.

*Daniel McKenna has won the local Father of the Year award after being nominated by his daughter Amarli.
(From the Warrnambool Standard Newspaper)*

STANDING TALL

We sponsored a fun day program at the end of the school year with 55 Standing Tall students taking part. Along with fun activities, the one-day program included beauty, well-being and personal hygiene talks for the girls as well as a talk from South West Healthcare on Mental Health and well-being, the event was given the name of the Rotary Club of Warrnambool Standing Tall Health and Well Being day.

LET'S TALK

Our Club had Let's Talk Representatives John Parkinson and Jane Fitzgibbon address the Club on the stigma of mental health. Our Club made a small contribution to the Let's Talk program to assist with administration and paper product expenses.

YARD CLEANUPS

We've assisted with a number of yard clean-ups at the request of Brophy Family & Youth services and Lifeline. Thanks to Richard Hawker for coordinating these yard clean-ups and also to the members that gave their time.

BRYCE PACE – AUTISM ADVOCATE

Our Club made a small contribution towards Autism Advocate, Bryce Pace's Teacher Professional Development Program. Unfortunately for Bryce the Development Program was cancelled due to a lack of registrations.

Bryce advised of an alternative program 'Recharge Room' for the use of the funds which was accepted.

FASHION PARADES

Two very successful fashion parades were held during the year, with plans already in place for next year. A big “well done” to Anne Adams, Joan Austin and their team for putting together these fun and successful events.

CAMP QUALITY

Thanks to Richard Hawker for updating and replacing items in the Camp Quality cabin and also his team of helpers for catering for the Family Camp Quality event held at the foreshore in November.

WARRNAMBOOL BREAST FEEDING CENTRE

Our Club made a contribution towards an air conditioner for the new premises of the Warrnambool Breastfeeding Centre; this was acknowledged with a letter of appreciation of our support.

SAFE STEPS

Our Club has also made a contribution to the Safe Steps Family Violence Response Centre; this meant that a mum and her children would be able to spend Christmas in temporary emergency accommodation to escape family violence.

ARMISTICE CENTENARY GRANT

With grateful assistance from Duncan Stalker our Club made a grant submission for a memorial bronze plaque, in honour of Warrnambool Rotarian Club members that have served on active service in Australia's military forces, to be placed in the forecourt of the new Warrnambool RSL War Memorial. Unfortunately this grant submission was unsuccessful. We will look to make a future grant submission to the Saluting Their Service Commemorative Grants program hopefully with a better result.

RELAY FOR LIFE

As reported earlier, our Club again supported Relay for Life through a BBQ at the event. I'd like to acknowledge John Beks for his continued involvement in taking donations from Club members for this Cancer Council event.

PORT FAIRY FOLK FESTIVAL

Thanks to David Brown for again coordinating the roster for this event and well done to all those that volunteered. While it's a 10 hour commitment, I think most would agree that it's also a very enjoyable event to volunteer for.

SOUTHWEST HEALTHCARE – PROSTATE CANCER DETECTOR MACHINE

Guest speakers Suzan Morey and Tony Kelly from SouthWest Healthcare addressed the Club in relation to the hospital's largest ever public fundraising appeal for the purchase of a Prostate Cancer Detector machine.

Tony, in his address said that the hospital has the skills of a specialist urologist but not the equipment.

Hoping to raise \$270,000 at \$6,000 a week for the December deadline, the Club contributed \$6,000 towards this appeal.

*Donation: Rotary Club of Warrnambool's Terry O'Neill, South West Healthcare community partnerships manager Suzan Morey and perioperative services manager Tony Kelly.
(Picture: Anthony Brady from the Warrnambool Standard Newspaper)*

When I can report on so many Club activities participated in and contributions made throughout the year, in support of our local community, I'd like to congratulate and sincerely thank all Club members for their volunteering and support in what I believe has been a very successful community service year.

Terry O'Neill

Director, Community Service

ROTARY FOUNDATION

Committee: Anne Adams, John Hunt, Mary Fitzgerald, Ron Bishop, Janet Blackley, Marie Bennett and Trevor Williams.

THE ROTARY FOUNDATION

Our Club and individual members continue to support the fund-raising activities of the Rotary Foundation and through it the six areas of Rotary focus:

- Promoting Peace
- Providing Clean Water
- Saving Mothers and Children
- Supporting Education
- Growing Local Economies
- Fighting Disease

Guest Speaker Police Divisional Commander Peter Greaney, a 2017 Peace Scholar, spoke of his experience taking part in the Peace and Conflict Studies Program at the Chulalongkorn University in Bangkok, Thailand. Study modules included:

- The concepts and values of peace and conflict studies
- Diagnosis and analysis of conflict, conflict resolution skills, approaches and strategies
- Conflict transformation and building sustainable peace

Our members again supported the film night run for Polio Plus by Rotary Club of Daybreak Warrnambool and the Peace Concert.

Our Club is qualified to receive Rotary Foundation global and packaged grants and as a result, we, through the International Committee, have received a grant of \$3000 towards our projects in Papua New Guinea and have another application in the pipeline.

A contribution of \$6000 has been forwarded to the Rotary Foundation and a growing number of members continue to make a A\$100 contribution to the Centurion program and their support is very much appreciated.

Finally some statistics - as at May 21, 2018. Current members of the Rotary Club of Warrnambool hold:

Paul Harris Fellows	22
Sapphire Pins	8
Direct donors to Polio Plus	2
Rotary Benefactor	1
Total all time giving	\$132,633.55

Thanks to the Board and members for their support of the Foundation Committee.

Anne Adams

Director, Rotary Foundation

MEMBERSHIP

Committee: Ian Sharman, Rachel Furnell, Dallas Armistead, John Harris, Bunny Hinchcliff, Janet Blackley, Ravi Ganeshalingam, Keith McLeod, Paul Forbes.

The Club, like most of the older clubs in D9780, will go through a transition of losing older/experienced members in the next 10 years. It is up to the Club as a whole to encourage new membership and to maintain a broad range of vocations represented in our membership. The broad range of projects that our Club is involved with and has planned for the future will encourage growth in membership.

Our Club has increased its membership of 'Friends of the Rotary Club of Warrnambool'. As the name suggests, the idea is to foster deeper links with people who we believe share our ideals of service and fellowship, but for one reason or another are unable to commit to full Rotary membership.

With the concept of corporate membership adopted at club level, it will potentially increase the numbers at the Rotary Club.

Unfortunately, Past Presidents Jim Dwyer and Ted Wilson passed away during the last 12 months. They were major contributors to Club activities over many years.

As at 30 May, membership of our Club comprises:

Members RCW

Anne Adams
Dallas Armistead
Tony Austin

PUBLIC IMAGE

Committee: Karina Wood, Sharon Stark, Julie Threlfall-Ryan, Malcom Price, Brian Trenery.

As Public Image Director for 2017-2018 it gives me great pleasure to present this report on our Club's public image.

Over the years the need to present your public image has grown. Technology has advanced and the way we communicate with our members and the broader public has changed. The need to tell the public what we are doing and the way we use our funds has become more important.

Clearly our Club has been well supported by our local media stream, that being 3YB and The Warrnambool Standard. 3YB has been most generous and has given us a permanent talk back session regarding current Rotary projects. The Warrnambool Standard has also been very cooperative in assigning a reporter to assist us in telling our Rotary story. Most of our main projects have received great exposure, i.e. New Generation Water project in PNG, the fashion parade, Camp Quality, Father of the Year, Annual Dinner Auction, Youth Achiever Awards and hospital equipment purchase for prostate test equipment.

As Terry O'Neill said last year, we must acknowledge the great work done by Sharon Stark in keeping our Club's social platforms, Facebook and the Club's website page current and informative, as well as being a great support in keeping and encouraging our Club members to become more familiar in the use of Club Runner.

The 2018-2019 year will challenge us to expand our social media member involvement, Instagram and public relations.

I have also had great support from our Bulletin Editor, Karina Wood and her team of scribes as well as Rachel Furnell for all the work she has done. I would ask all those "Tech Savvy" Rotarians to help in the coming year to propel the Club forward as this is the way Rotary is moving. Rotary has a great range of resources available, we must use them and make our range of new tasks so much easier.

Finally, the Public Image of our Club is in our hands, of all Rotarians. We all have by our actions and involvement the ability to build community awareness of local and international projects of the Rotary Club of Warrnambool.

Richard Hawker

Director, Public Image

INTERNATIONAL

Committee: Svetlana Lineham, Jim Hanrahan, Rachel Furnell, Richard Hawker, John Beks, Graeme Ward.

As the Rotary year comes to a close, I am pleased to report that our Rotary Club has continued to support several international programs throughout the year.

INTERPLAST

Club members continue to donate via the weekly flask at meetings and we were able to forward \$1000 to Interplast. These funds are used to support volunteer medical staff to perform operations overseas and also provide local doctors and nurses with medical training to perform these operations.

ROTARIANS AGAINST MALARIA (RAM)

We have continued to express our appreciation to our guest speakers by presenting them with a certificate of appreciation and a RAM badge. The certificates indicate that in lieu of a gift, one anti-malarial net is donated to a family in the Pacific Islands in the name of our Rotary Club. I have personally seen RAM personnel delivering nets to remote villages in PNG. Our Club contributed \$500 to this project.

DONATIONS IN KIND (DIK)

Our Club is a strong supporter of the Rotary Club of Geelong's DIK work sending containers of humanitarian aid equipment and materials overseas.

Through donations of surplus items from Warrnambool South West Healthcare, Timboon & District Healthcare Service, Colac Area Health Aged Care Services and Brauer College we have taken more than 4 tonnes of aid materials to the Geelong DIK depot.

WANNON WATER DONATION

Wannon Water once again donated round bales of hay to support our International projects. The hay was harvested from Wannon Water land near Port Fairy. This is the third successive year we have received this support. The donation was sourced by John Harris. John also managed the sale of the hay.

PNG INTERNATIONAL HUMANITARIAN AID PROJECT

The Rotary Club of Warrnambool's PNG International Humanitarian Aid Project team comprising Tony Austin, Mal Price, Richard Wilton and Ewen Urquhart (RC Geelong) went to PNG Friday July 14 2017

Mal Price, Tony Austin, Richard Wilton and Ewen Urquhart (RC Geelong, not in photo) went to PNG July 14 2017

The team was successful in:

- Rectifying a chronic water storage tank leaking problem at the Martyr's Memorial School.
- Repairing a damaged water bore for the Kongoho community and setting a solar pump onto it. This provided the first clean water ever for approximately 400 people.
- Sinking 3 water bores at Embessa. Two of these were dug to water level, the third was abandoned due to limited on-site time available. One of the two successful bores was fitted with a hand pump, the other was left for the Embessa community to complete. This project provided the first clean water ever to approximately 1000 Embessa villagers.
- Provided a commercial rotary hoe to the Embessa community to assist in sustainable crop growing.
- Identifying several potential project sites; six locations were visited and were identified as having potential to sink bores and fit hand pumps, one site was identified as having potential for a surface pump and four school sites were identified as having potential for water provision projects.
- Facilitating the potential formation of the "Oro Community Service Foundation" (OCSF); a group of PNG Nationals who will work with us to plan and achieve projects.

THE PNG PROJECTS GROUP

To facilitate our ongoing and extended involvement in PNG our Club has coordinated the aggregation of several organisations interested in being involved in PNG projects into a collective which is now refer to as the PNG Projects Group (PNGPG).

The PNGPG is currently a partnership of the RC Warrnambool, RC East Warrnambool, RC Warrnambool Daybreak, RC Geelong, RC Wynyard (Tasmania), RC Mount Martha, RC Boroko (PNG), Wannon Water and the Oro Community Service Foundation (OCSF).

PLANNED 2018 PNG INTERNATIONAL HUMANITARIAN AID PROJECT

Significant planning had taken place for our Club's 2018 PNG International Aid Program. We intend to:

- Build a tank stand in the Kongoho community and set a 5000 litre poly tank on it to receive the water from the solar submersible pump fitted in 2017. The principal financial contributor to this project is the RC Warrnambool.
- At the Martyr's Memorial School fit a SkyHydrant water filter and set up 5000 litre poly tank to receive the filtered water. Run piping and set a water take off point at a location in to the school "shop". The principal contributors to this project are the RC Mount Martha and RC Warrnambool.
- The Embogo Secondary School has not had pumped water since Cyclone Guba in 2007. At the school we will fit a solar submersible pump (if sufficient funds can be found), possibly fit a SkyHydrant water filter, set a 5000 litre poly tank, run piping and set water take off points to a location adjacent to the school. The principal contributors to this project are the RC Wynyard (Tasmania), RC Warrnambool and RC Warrnambool East.
- Reinstate the fouled community water supply at Embogo village. This will entail a new bore and fitting a new hand pump. The principal financial contributors to this project are the RC Geelong and RC Warrnambool.

- Follow up work in Embessa (finish a bore started last year, sink another bore and fit two hand pumps), fit a solar submersible pump, build a tank stand and set a 5000 litre poly tank on it. The current principal financial contributors are Wannon Water and the RC Warrnambool and RC Geelong.
- If time permits and sufficient funds can be found we have identified the need for bores and pumps at Karaisa, Bobou, Sarawasa and Foru village and school. Currently there are no financial contributors although RC Geelong have committed \$2000 for the pumps if the project goes ahead.

As the Rotary year comes to a close I am pleased to report that our Club has continued to support international programs throughout the year.

Tony Austin

Director, International Service

YOUTH SERVICE

YOUTH EXCHANGE PROGRAM

Committee: Andrea Sampson, Rachel Furnell, Louise Brennan, Steve Giddens, Julie Threlfall-Ryan, Duncan Stalker, Delia Jenkins.

The year commenced with our goodbye's to the 3 Amigo's, exchange students Mathilde, Axelle and Tim, with a wonderful get together for all their host families and members from the other three Rotary Clubs who shared the exchange experience.

We were now getting ready for our two new exchange students, Benedikt (Ben) Pfeil from Germany and Antonia (Toni) Ederer from Austria.

Ben's arrival was delayed with his counsellor Ann Ellis from Warrnambool Central, losing her car in the parking lot for the first hour, but Ben settled in well at Emmanuel College and his first host family. I believe Ben has had a wonderful year with us, he left earlier than normal as he had to sit exams to be able to enter year 10 in Germany. Ben's parents have told me they are so impressed with their son since he had gone home, his Aussie English accent is so cute!!

And Ben has grown, as he is now taller than his older brother.

home at the end of term 3.

Our other exchange student Toni was picked up from the airport by her counsellor Svet Lineham. Toni didn't settle as quickly as Ben but made the most of her time at Warrnambool College, following a change from year level 10 into year 12 which was a great improvement. Toni stayed with non-Rotarians and also with our exchange student's families stepping forward to be host families, though Paul Forbes who has since become a Rotarian. Toni is heading

A big thank you for our host families Paul and Michelle Forbes, Mark and Simone Taylor, Ross and Sandy McDonald, Sharon Stark and Michael Boyd, Carmel and Bernie Farley and finally my husband Shane. Thank you also to our counsellors Ann Ellis and Svetlana Lineham.

I would also like to thank the families who had students for the mini safari, Louise Brennan and Steve Giddens, plus other Rotarians who throughout the year have taken the students places.

was regrettably cancelled.

We welcomed home Carly McDonald and Sarah Forbes from their exchange in Austria and France. The girls have given their presentations and we heard about their exciting adventures whilst overseas on their exchange. They thanked Julie Threlfall-Ryan and myself for being their counsellors.

RYLA AND RYPEN

A big thank you to Rachel Furnell who again looked after her 'baby', RYLA. I know if things are left with Rachel they will get done! Rachel had organized and we spoke with two young females Rihanna Byron and Tiahana Williams Carlisle who went on to attend RYLA for the week. Both girls have spoken about how wonderful the program was and would like to recommend it to others in the future. Rihanna even spoke about joining Rotaract. This year's RYPEN

YOUTH ACHIEVERS AWARDS

The Rotary Club of Warrnambool again supported the Warrnambool and Moyne Youth Achievers awards and congratulates Joshua Bartlett and his sister Emily, the Moyne winners. Monique Jones and Jace Nepean were the winners in Warrnambool. We were lucky enough to have Monique and Jace come and talk at our Club. To see and hear what these young people have achieved at such a young age makes me believe our future is in good hands.

ROTARACT

The Rotary Club of Warrnambool continued to support the Rotaractors but it was with regret that membership has fallen to a low attendance and their annual trivia night was cancelled. George McLeod and Alex Robertson are regularly attending our Club's meetings on Tuesday nights and participating in Club activities.

Director, Youth Service

Ben and Toni at the Ballarat Wildlife Park

VOCATIONAL SERVICE

Committee: Anne Adams, Judy Ross, Tony Austin, Bunny Hinchcliff, Graeme Ross, David Brown, Ian Sharman, Geraldine Delaney

The aim of the Vocational Services Committee is to promote high ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying of each Rotarian's occupation as an opportunity to serve our society.

VISIT TO THE F PROJECT ARTERY

In December last year the Club conducted an informal meeting at the F Project Artery in Warrnambool. The F Project began in 2008 with the demise of the Fletcher Jones Factory. A group of ladies saw a large amount of fabric being loaded into a truck for disposal, so they asked if they could have the fabric and this fabric has been used for many things over the years.

The Centre is used for: the professional development of artists; community awareness, engagement and appreciation for arts; exhibitions; retail; rental of studios by artists; and is run by volunteers.

Rotary members were treated to a BBQ dinner in the gardens which were previously the Guyett's family farm. The garden is being restored with the planting of an orchard and the introduction of chickens.

While the 'F' - really stands for Fletcher (Jones), it also stands for fashion, festivals, food and family (sense of social sustainability).

VOCATIONAL AWARD OF EXCELLENCE

The Vocational Award of Excellence was presented to Tim and Di Goodall of Warrnambool Timber Industries which was started in their garage in the early 1980's. Much of their equipment was custom built or adapted from the old timber mill and most of the machinery was made locally wherever possible. Over time, the Goodall's have employed over 700 staff and have helped new businesses in the industry to get started to ensure quality of supply.

Tim is also involved in Timber Training Creswick, a registered RTO, which provides training for people in the timber industry, such as saw doctor training for saw-milling. This is a highly technical and specialised skill critical to the work of the mill. Tim is the chairman of the board of directors for that organisation. Tim is also chairman of the Glue and Laminated Timber

Association of Australia. Tim also sits on the Standards Committee for Timber Laminating which provides a fully audited quality assurance program according to Australian Standards. Warrnambool Timber Industries is one of the largest Timber beam mills in Australia.

GREAT SOUTH COAST SCIENCE AND ENGINEERING CHALLENGE

This project which is supported by the wider Rotary community, encourages a focus on science-based careers for secondary college students.

This year was the sixth Challenge continuing at the Warrnambool Deakin Campus. The program is designed and run by the University of Newcastle and managed by a committee involving representatives from Deakin University and Rotarians. It involves a day for Year 10 students to engage in competitive tasks requiring the use of problem solving skills in science, technology and engineering.

We wish to acknowledge the continued sponsorship from Telstra and also Deakin University. This year's challenge was held on 12 June, and 76 students from seven schools across the district attended and competed in some interesting and challenging activities. The day went well and could not have gone ahead without the support of some very committed Rotarians and Friends, especially Anne Adams who coordinated the event this year.

Heads down at this year's Great South Coast Science & Engineering Challenge
