GET INVOLVED

Becoming a member enables you to meet a range of people in your community and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved. Our members have found that it's a truly rewarding experience. Join our next meeting or service project.

The Club meets each Thursday at 6.15 pm, at the Warrnambool Bowls Club, Timor Street, Warrnambool. Email our club president to schedule your visit. We look forward to meeting you!

PEOPLE OF ACTION

Our club offers opportunities for our members – and those interested in making a difference – to get involved.

Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond.

Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections. Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are local people representing different work experiences and life perspectives, but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, support the environment and make our community and the world a more peaceful place. We have worked with various partners on the following projects: eg

- Rescue Skis for Local Coast Guard
- Water for East Timor
- Homeless Support
- Warrnambool Hospice
- Clontarf Academy
- Riding for the Disabled
- Fred Hollows Foundation
- Standing Tall
- Road Safety with Victoria Police
- Youth Community Support Award
- Shelterbox-Australia
- Interplast reconstructive surgery
- Ending polio — Partnering with the Bill & Melinda Gates Foundation, the World Health Organization, and UNICEF to end polio, once and for all.
