

COMMUNITY PROJECT

PRELIMINARY REQUEST FOR CONSIDERATION – PHASE I

Since its founding in 1987, the Plattsburgh Sunrise Rotary Club has invested thousands of volunteer hours and significant funds into projects that strengthen our community and extend compassion worldwide. Strategically our projects align with at least one of these seven areas of focus: peace and conflict prevention, disease prevention, water and sanitation, maternal and child health, basic education, community economic development, and supporting the environment. Do you have an idea for a project or organization that Sunrise Rotary should consider supporting? We'd love to hear from you — together, we can build stronger communities here at home and around the world. Kindly complete [link to form/this form] and members of Sunrise Rotary will discuss how best to respond at the next club meeting. Note, Sunrise Rotary meets on the first and third Tuesday of each month.
