

The Rotary Club of Austin-Southwest was founded in 1982.

Our Club is a proud part of the Southwest Austin community and **Rotary International**. Rotary is a global network of more than 1.4 million members and 46,000+ clubs who work together to:

- Promote peace
- Fight disease
- Provide clean water, sanitation & hygiene
- Save mothers and children
- Support education
- Grow local economies
- Protect the environment

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

As a founding partner of the Global Polio Eradication Initiative, we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

MAKING A DIFFERENCE in our Community

Rotarians joined **The Texas Ramp Project** to build wheelchair **ramps** for disabled and elderly people who can't afford them.

People of Action

Our club offers opportunities for members and those interested in making a difference, to get involved. Through meetings, social events and volunteer projects, our members learn about the issues facing our community and communities all over the world. We partner with local, national, and global experts to exchange ideas about potential solutions and to join in action plans to respond.

Along with these opportunities to serve, members also are able to regularly network, resulting in life long friendships and business connections. Our club is a proud part of the Southwest Austin community and of Rotary International.

Rotary International is a global network of more than 1.4 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.
