It's time for planning the 6th annual **"International Culinary Festival"**! This is the Rotary Club of Historic Folsom's largest fundraising event of the year and will be held on Sunday March 19, 2017 at the Folsom Community Center from 3 to 6pm.

The International Culinary Festival features more than a dozen local restaurants serving a variety of ethnic food from around the world. Our event also includes entertainment, a silent auction, a great Wine and Beer Garden and best of all – community exposure to Folsom's most delicious cuisine.

Proceeds from the event benefit several local charitable programs supporting elementary school literacy including: improving literacy for at-risk children at select Folsom elementary schools, micro-libraries, and dictionary distribution to ALL Folsom third graders. Last years' event raised more than \$20,000 for these important causes!

We welcome like-minded businesses and individuals to partner with us to improve the overall health and well-being of our community. PLEASE consider sponsorship for our 2017 INTERNATIONAL CULINARY FESTIVAL. We rely on our friends and businesses to support our event and, in turn, gratefully recognize our sponsors.

Please use the enclosed sponsorship form to pledge your financial contribution.

On behalf of the local charitable programs supported by the Rotary Club of Historic Folsom, we thank you for your consideration. If you have questions, please contact me.

Yours truly,
