Help from Board of Trustees and Foundation Staff

Ken Noack, Jr.

ROTARY FOUNDATION PRESIDENT

Dear Fellow Rotarians:

Your community and the world continue to benefit from the good Trustee stewardship of your RCS Foundation corpus.

Most noteworthy this past year was the implementation by your Trustees of a more effective funds distribution formula by which to calculate the amount of money we can invest back into community and world projects collectively, annually.

The formula incorporates reality-based performance of our investments, accommodates change in inflation, and provides a cushion for growth of the corpus. But most importantly, it allows us to distribute funds more consistently and dependably even during challenging economic cycles. Other respected foundations have been implementing this formula successfully for years.

Your Foundation remains fiscally sound today with a current corpus balance of \$3,171,905 (as of June 30, 2014) while having distributed over \$4 million back to our global communities since its inception in 1971.

Foundations, however, don't truly grow by investment returns on their corpus. They grow by your generous bequests. We extend our deepest gratitude to those of you who have committed a component of your estate to your club's Foundation through our Legacy Circle or otherwise. We respectfully encourage those who have not done so, to include Rotary in your estate planning.

Thank you for your continued support! Your remarkable impact is proudly summarized in this Annual Report. Please take a moment to review the consequences and future potential of your generous giving.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ken Noack, Jr.".

Rotary's Youth Incentive Program (YIP)

The Youth Incentive Program matches at-risk 7th graders with Rotary club members as mentors.

Mentors make a 5-year commitment to help students develop into productive and confident young adults and give freely of their time to support students in establishing and meeting academic, athletic, social and self-esteem goals.

In addition, YIP students are introduced to cultural events as well as possible career paths. Some YIP Students have also participated in RYLA and REGL camps.

The YIP program currently has four students in junior high, seven students in high school, and seven in college.

Rotary Eighth Grade Leadership Students: Cesar Ramirez, Samon Ervin, Christian Rodriguez and Maria Cazares. Mentors: Eric R. Solis and Joshua Martin (1998 YIP Student); Vicki Puliz (Rotary of Sparks) 2013-14 District Governor

Upon high school graduation and completion of the YIP program, each student is eligible to receive a major scholarship toward continued education. Since its inception, 100% of YIP Students have graduated from high school and six from college.

Currently, there are six students in college receiving scholarships and 11 in middle school and high school. To date, the Rotary Foundation of Sacramento has awarded \$130,378 in scholarships from the YIP restricted Foundation Fund.

The Centennial Gala was the explosive capstone to a full-year celebration of 100 Years of the Rotary Club of Sacramento. Funds raised from this and other events during the year benefited the Powerhouse Science Center which, when completed, will replace Sacramento's Discovery Museum Science & Space Center. Numerous literacy programs were also beneficiaries.

The Gala's theme, **"A Century of Service... A Future of Possibilities,"** was not merely an abstract idea: In a truly monumental effort, dozens of Rotarians designed and built a decade-by-decade series of exhibits of notable historical events during the Rotary Club's 100-year existence.

More than 600 guests took a "stroll through time" at the McClellan Conference Center – including the Roaring Twenties, World War II, and the Space Age. Every display was marked with the Rotary Club's support to the local and world community during that decade.

Following a dinner with music by the Dick Bright Orchestra, featured speaker Anne Matthews, Vice President of Rotary International, talked on Rotary's role in the world. A surprise visit by President Teddy Roosevelt added to the illusion of "time travel," and the final – and show-stealing – speaker was a precocious 9-year-old who described her vision of Rotary of the future.

The year-long Centennial Celebration included periodic auctions and special speakers at meetings, including Sacramento's own Gregory Kondos, who discussed his life and art followed by a sale of his prints to benefit SRC. Also of note was the publication of an updated edition of Mel Lawson's 1986 book, **Saga of Service**, a year-by-year history of the Rotary Club of Sacramento.

World Community Service

“Nothing in the world can take the place of persistence....”

– Calvin Coolidge

President Coolidge’s quote aptly describes our World Community Service (WCS) team: **persistence**. Work to improve the human condition has its challenges – Third World countries, clubs and NGOs, along with

tight timelines and cultural differences mean several of our projects are in a third or fourth year of development – WCS is ***always*** a work in progress.

Our WCS team efforts continue to focus in three main areas: **clean water, literacy, and human trafficking**.

The primary countries we are targeting are Nepal, Cambodia and Ethiopia; we’ve also partnered recently with projects in Africa and Asia.

Our club is planning future projects in Asia and Guatemala, and will also participate in a clean water project in the Favelas (one of the poorest regions in the world) during the RI International Convention in São Paulo.

Our WCS is one of the most active committees in international service in Rotary and our club’s hands-on participation is at an all-time high.

We love what we do!

Rotary Club of Sacramento Members Travel to Acheber, Ethiopia

In September 2013, six members of the Rotary Club of Sacramento traveled halfway across the globe to the village of Acheber, Ethiopia, to help build a spring water protection and delivery system through a \$2,500 donation from the RCS.

Joining the team was Sacramento Rotary member Seifu Ibssa, who was born in the village and is today Director of the nonprofit East African Village Outreach (EAVO).

Ten thousand feet above sea level, Acheber is lush green with rolling hills and full of life with cows, horses, goats and sheep. Both villagers and cattle share sleeping quarters in huts with round rooms.

For far too long, villagers in Acheber have been drinking unsafe water, resulting in sickness and death to the most vulnerable members of the community – children.

The team got right to work digging ditches to the uphill spring water site. Pipes were buried, pebble rocks used for filtration, and concrete poured for protection from human and animal waste.

Success! For the first time, clean spring water was piped down to villagers and the preschool that Seifu is building. Everyone joyfully celebrated the completed project made possible through Rotary’s volunteer labor and financial support.

After witnessing what transpired in Acheber, another nearby village sent its elders to ask for help. While Seifu translated, the Rotary team listened and promised to help, provided the community contributed labor and local materials. The Rotary Club of Sacramento kept its promise and donated \$5,000 in seed money, and the village is raising its own donations towards their goal.

Clean spring water in Acheber, Ethiopia, delivered to the community via gravity and Rotary Club members of Sacramento.

Legacy Circle

The Rotary Club of Sacramento Foundation created the Legacy Circle to recognize those Rotarians who are leaving a legacy of support to the ideals of the Rotary Club of Sacramento by helping our community.

Membership in the Circle is attained by donating:

- 1) A named Scholarship (\$25,000 minimum), or
- 2) A bequest from estate plans such as a contribution from wills, trusts, life insurance, charitable gift annuities, or other retirement plans, evidenced by appropriate documentation

The name Legacy Circle is derived from the concept that Rotarians earn their livelihood from this community, take care of their own families, and eventually accumulate assets beyond their daily needs. Those assets go full circle as Rotarians put a portion of their net worth back into the community through planned giving to our Rotary Club of Sacramento Foundation.

**2013-14
ANNUAL
REPORT**

I am of the opinion that my life
belongs to the whole community,
and as long as I live it is my privilege
to do for it whatever I can.

I want to be thoroughly used up when I die,
for the harder I work the more I live.
I rejoice in life for its own sake.

Life is no "brief candle" for me.
It is a sort of splendid torch which
I have got hold of for the moment,
and I want to make it burn as
brightly as possible before handing
it on to future generations.
