The Marblehead Food Pantry

A Bed For Every Child

Scholarships for High School Seniors

Windrush Farm

Members and Friends. Consider attending a Tuesday morning breakfast meeting of The Rotary Club of Marblehead Harbor to meet the business, professional and community leaders who are our members. There's a place waiting for you at the table.

Rotary Club of Marblehead Harbor

Our club is one of 35,981 Rotary Clubs around the world -- part of a global network of 1.2 million Rotarians in over 200 countries.

Our volunteerism impacts lives at both the local and international levels, from helping families in need and providing scholarships in our own community to working toward a polio-free world.

Since our formal chartering on September 16, 1996, the Rotary Club of Marblehead Harbor has brought together local men and women from a variety of careers and backgrounds -- many of whom you may already know.

Our weekly Tuesday breakfast meetings include good fellowship and guest speakers who keep us apprised of opportunities to help others.

If Rotary's motto "Service Above Self" interests you and if you are interested in sharing your time, talent, energy and passion to accomplish good -- and in having a good time while doing it! -- then we urge you to visit www.rcmh.org for information about our club or rotary.org to find out more about Rotary International.

We invite you to contact us about coming to one of our Tuesday morning meetings.

For more information; www.rcmh.org, info.rcmh@gmail.com, or John Williams at 781 639-1614
