PEOPLE OF ACTION

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Globally, Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

Since 2020, Hazleton Rotarians have contributed to the following projects:

- Kidz Coatz – providing winter coats to underprivileged children.
- Scholarships – Each year, our club offers thousands of dollars in scholarships to local high school students.
- Holiday shopping with underprivileged children
- Police dog and vest K-9 dog purchased for the Hazleton Police Dept.
- School dictionaries
- Drop the Drug Van – donated towards the van for those who want to dispose of drugs correctly.
- Veteran’s lunch – providing lunches to our local veteran community.
- United Way – continued support of this local charity.
- Salvation Army – providing and serving food through their free lunch program.
- Ending Polio – partnering with the Bill Gates Foundation, the World Health Organization and UNICEF to end polio, once and for all.
- Clean Water World Projects – partnering with several Rotary clubs to provide life saving clean water wells throughout the world.
