

BUSINESS 25 SCHOLARSHIPS

In 2014, to commemorate the 25th anniversary of the Elgin Breakfast Rotary Club, the organization committed to the creation and funding of a 25-year scholarship account to provide an annual educational scholarship to needy individuals wishing to pursue a vocational education.

RECIPIENTS:

2016 – Amanda Brumball

2017 – Michelle Skudlarek

2018 – Mikaela Didier

We sought 25 local small businesses and companies that were willing to donate \$1,000 each to create the fund.

- The fund interviews and awards 1 qualified student annually with a \$1000 educational scholarship to help fund their tuition/books costs for the coming year.
- The 25 charter corporate donors receive recognition for their support ANNUALLY when the scholarship is awarded each year for the next 25 years.
- The selected student recipient will need to:
 - Be attending Judson or Elgin Community College in the year of receipt of the scholarship
 - Be available to come meet with the EBR club to share how this scholarship has impacted their educational experience
 - Be willing to be listed in local and social media, alongside the names of the Business 25 sponsors.
