

Costa Rica Trip Application

An opportunity for Rotarians to join with cooperating NGO Agua Viva Serves in Los Chiles, Costa Rica for a week of service (November 14-21, 2019) and lead an assessment in anticipation of receipt of a Global Grant for Clean Water for Costa Rica 2.0.

Transportation in Costa Rica could be by a variety of vehicles, which may be crowded, on roads that will often be rough. Accommodations will be in modest, clean motels with friendly services and showers! More information regarding travel arrangements and in-country transportation and accommodations will be provided to selected applicants.

Further information regarding emergency contacts, allergies, etc. will be collected from selected applicants at a later date.
