Here we come, walkin'
Down the street.
We get the funniest looks from
Rotarians we meet.

Hey, hey, we're the G five
And people say we're one president.
But we're too busy planning
To find time to dissent.

We go wherever we want to;
do what we like to do.
Don't have time to get restless,
There's always something new.

Meetings can be crazy busy
So many good things to convey
We're the older generation,
BUT we've got something to say.

Any time, Or anywhere,
Just look over your shoulder
Guess who'll be standing there

Hey, hey, we're the G five
And people say we're one president.
But we're so proud of our members
To the greatest possible extent.

[break]

Meetings can be crazy busy,
So many good things to convey
We're the older generation,
BUT we've got something to say.

We're just tryin' to be friendly,
Come and watch us sing and play,
We're one generation,
Rotarians got something to say.

Hey, hey, we're the G five
Hey, hey, we're the G five
[repeat and fade]
